

Council Regulation (EC) No 1334/2000 of 22 June 2000 setting up a Community regime for the control of exports of dual-use items and technology (repealed)

CHAPTER V

Customs procedures

Article 12

1 When completing the formalities for the export of dual-use items at the customs office responsible for handling the export declaration, the exporter shall furnish proof that any necessary export authorisation has been obtained.

2 A translation of any documents furnished as proof into an official language of the Member State where the export declaration is presented may be required of the exporter.

3 Without prejudice to any powers conferred on it under, and pursuant to, the Community Customs Code, a Member State may also, for a period not exceeding the periods referred to in paragraph 4, suspend the process of export from its territory, or, if necessary, otherwise prevent the dual-use items listed in Annex I which are covered by a valid export authorisation from leaving the Community via its territory, where it has grounds for suspicion that:

- a relevant information was not taken into account when the authorisation was granted, or
- b circumstances have materially changed since the grant of the authorisation.

4 In the case referred to in paragraph 3, the competent authorities of the Member State which granted the export authorisation shall be consulted forthwith in order that they may take action pursuant to Article 9(2). If such competent authorities decide to maintain the authorisation, they shall reply within 10 working days, which, at their request, may be extended to 30 working days in exceptional circumstances. In such case, or if no reply is received within 10 or 30 days, as the case may be, the dual-use items shall be released immediately. The Member State which granted the authorisation shall inform the other Member States and the Commission.

Article 13

1 Member States may provide that customs formalities for the export of dual-use items may be completed only at customs offices empowered to that end.

2 Member States availing themselves of the option set out in paragraph 1 shall inform the Commission of the duly empowered customs offices. The Commission shall publish the information in the C series of the *Official Journal of the European Communities*.

Article 14

[^{F1}The provisions of Articles 843 and 912a to 912g of Regulation (EEC) No 2454/93] shall apply to the restrictions relating to the exportation, reexportation and exit from the customs territory of dual-use items for the export of which an authorisation is required under this Regulation.
