In the case of a company or legal person, the place of the registered office shall be presumed to be the centre of its main interests in the absence of proof to the contrary.

2 Where the centre of a debtor's main interests is situated within the territory of a Member State, the courts of another Member State shall have jurisdiction to open insolvency proceedings against that debtor only if he possesses an establishment within the territory of that other Member State. The effects of those proceedings shall be restricted to the assets of the debtor situated in the territory of the latter Member State.

3 Where insolvency proceedings have been opened under paragraph 1, any proceedings opened subsequently under paragraph 2 shall be secondary proceedings. These latter proceedings must be winding-up proceedings.

1 The opening of insolvency proceedings against the purchaser of an asset shall not affect the seller's rights based on a reservation of title where at the time of the opening of proceedings the asset is situated within the territory of a Member State other than the State of opening of proceedings.

2 The opening of insolvency proceedings against the seller of an asset, after delivery of the asset, shall not constitute grounds for rescinding or terminating the sale and shall not prevent the purchaser from acquiring title where at the time of the opening of proceedings the asset sold is situated within the territory of a Member State other than the State of the opening of proceedings.

3 Paragraphs 1 and 2 shall not preclude actions for voidness, voidability or unenforceability as referred to in Article 4(2)(m).

Article 12

Community patents and trade marks

For the purposes of this Regulation, a Community patent, a Community trade mark or any other similar right established by Community law may be included only in the proceedings referred to in Article 3(1).

Article 13

Detrimental acts

Article 4(2)(m) shall not apply where the person who benefited from an act detrimental to all the creditors provides proof that:

- the said act is subject to the law of a Member State other than that of the State of the opening of proceedings, and
- that law does not allow any means of challenging that act in the relevant case.

Article 14

Protection of third-party purchasers

Where, by an act concluded after the opening of insolvency proceedings, the debtor disposes, for consideration, of:

- an immovable asset, or
- a ship or an aircraft subject to registration in a public register, or

CHAPTER II

RECOGNITION OF INSOLVENCY PROCEEDINGS

Article 16

Principle

1 Any judgment opening insolvency proceedings handed down by a court of a Member State which has jurisdiction pursuant to Article 3 shall be recognised in all the other Member States from the time that it becomes effective in the State of the opening of proceedings.

This rule shall also apply where, on account of his capacity, insolvency proceedings cannot be brought against the debtor in other Member States.

2 Recognition of the proceedings referred to in Article 3(1) shall not preclude the opening of the proceedings referred to in Article 3(2) by a court in another Member State. The latter proceedings shall be secondary insolvency proceedings within the meaning of Chapter III.

Article 17

Effects of recognition

1 The judgment opening the proceedings referred to in Article 3(1) shall, with no further formalities, produce the same effects in any other Member State as under this law of the State of the opening of proceedings, unless this Regulation provides otherwise and as long as no proceedings referred to in Article 3(2) are opened in that other Member State.

2 The effects of the proceedings referred to in Article 3(2) may not be challenged in other Member States. Any restriction of the creditors' rights, in particular a stay or discharge, shall produce effects vis-à-vis assets situated within the territory of another Member State only in the case of those creditors who have given their consent.

Article 18

Powers of the liquidator

1 The liquidator appointed by a court which has jurisdiction pursuant to Article 3(1) may exercise all the powers conferred on him by the law of the State of the opening of proceedings in another Member State, as long as no other insolvency proceedings have been opened there nor any preservation measure to the contrary has been taken there further to a request for the

Changes to legislation: There are currently no known outstanding effects for the Council regulation (EC) No 1346/2000 (repealed). (See end of Document for details)

opening of insolvency proceedings in that State. He may in particular remove the debtor's assets from the territory of the Member State in which they are situated, subject to Articles 5 and 7.

2 The liquidator appointed by a court which has jurisdiction pursuant to Article 3(2) may in any other Member State claim through the courts or out of court that moveable property was removed from the territory of the State of the opening of proceedings to the territory of that other Member State after the opening of the insolvency proceedings. He may also bring any action to set aside which is in the interests of the creditors.

3 In exercising his powers, the liquidator shall comply with the law of the Member State within the territory of which he intends to take action, in particular with regard to procedures for the realisation of assets. Those powers may not include coercive measures or the right to rule on legal proceedings or disputes.

Article 19

Proof of the liquidator's appointment

The liquidator's appointment shall be evidenced by a certified copy of the original decision appointing him or by any other certificate issued by the court which has jurisdiction.

A translation into the official language or one of the official languages of the Member State within the territory of which he intends to act may be required. No legalisation or other similar formality shall be required.

Article 20

Return and imputation

1 A creditor who, after the opening of the proceedings referred to in Article 3(1) obtains by any means, in particular through enforcement, total or partial satisfaction of his claim on the assets belonging to the debtor situated within the territory of another Member State, shall return what he has obtained to the liquidator, subject to Articles 5 and 7.

2 In order to ensure equal treatment of creditors a creditor who has, in the course of insolvency proceedings, obtained a dividend on his claim shall share in distributions made in other proceedings only where creditors of the same ranking or category have, in those other proceedings, obtained an equivalent dividend.

Article 21

Publication

1 The liquidator may request that notice of the judgment opening insolvency proceedings and, where appropriate, the decision appointing him, be published in any other Member State in accordance with the publication procedures provided for in that State. Such publication shall also specify the liquidator appointed and whether the jurisdiction rule applied is that pursuant to Article 3(1) or Article 3(2).

2 However, any Member State within the territory of which the debtor has an establishment may require mandatory publication. In such cases, the liquidator or any authority

Changes to legislation: There are currently no known outstanding effects for the Council regulation (EC) No 1346/2000 (repealed). (See end of Document for details)

empowered to that effect in the Member State where the proceedings referred to in Article 3(1) are opened shall take all necessary measures to ensure such publication.

Article 22

Registration in a public register

1 The liquidator may request that the judgment opening the proceedings referred to in Article 3(1) be registered in the land register, the trade register and any other public register kept in the other Member States.

2 However, any Member State may require mandatory registration. In such cases, the liquidator or any authority empowered to that effect in the Member State where the proceedings referred to in Article 3(1) have been opened shall take all necessary measures to ensure such registration.

Article 23

Costs

The costs of the publication and registration provided for in Articles 21 and 22 shall be regarded as costs and expenses incurred in the proceedings.

Article 24

Honouring of an obligation to a debtor

1 Where an obligation has been honoured in a Member State for the benefit of a debtor who is subject to insolvency proceedings opened in another Member State, when it should have been honoured for the benefit of the liquidator in those proceedings, the person honouring the obligation shall be deemed to have discharged it if he was unaware of the opening of proceedings.

2 Where such an obligation is honoured before the publication provided for in Article 21 has been effected, the person honouring the obligation shall be presumed, in the absence of proof to the contrary, to have been unaware of the opening of insolvency proceedings; where the obligation is honoured after such publication has been effected, the person honouring the obligation shall be presumed, in the absence of proof to the contrary, to have been aware of the opening of proceedings.

Article 25

Recognition and enforceability of other judgments

1 Judgments handed down by a court whose judgment concerning the opening of proceedings is recognised in accordance with Article 16 and which concern the course and closure of insolvency proceedings, and compositions approved by that court shall also be recognised with no further formalities. Such judgments shall be enforced in accordance with Articles 31 to 51, with the exception of Article 34(2), of the Brussels Convention on Jurisdiction and the Enforcement of Judgments in Civil and Commercial Matters, as amended by the Conventions of Accession to this Convention.

Status: Point in time view as at 01/01/2008.

Changes to legislation: There are currently no known outstanding effects for the Council regulation (EC) No 1346/2000 (repealed). (See end of Document for details)

The first subparagraph shall also apply to judgments deriving directly from the insolvency proceedings and which are closely linked with them, even if they were handed down by another court.

The first subparagraph shall also apply to judgments relating to preservation measures taken after the request for the opening of insolvency proceedings.

2 The recognition and enforcement of judgments other than those referred to in paragraph 1 shall be governed by the Convention referred to in paragraph 1, provided that that Convention is applicable.

3 The Member States shall not be obliged to recognise or enforce a judgment referred to in paragraph 1 which might result in a limitation of personal freedom or postal secrecy.

Article 26⁽¹⁾

Public policy

Any Member State may refuse to recognise insolvency proceedings opened in another Member State or to enforce a judgment handed down in the context of such proceedings where the effects of such recognition or enforcement would be manifestly contrary to that State's public policy, in particular its fundamental principles or the constitutional rights and liberties of the individual.

CHAPTER III

SECONDARY INSOLVENCY PROCEEDINGS

Article 27

Opening of proceedings

The opening of the proceedings referred to in Article 3(1) by a court of a Member State and which is recognised in another Member State (main proceedings) shall permit the opening in that other Member State, a court of which has jurisdiction pursuant to Article 3(2), of secondary insolvency proceedings without the debtor's insolvency being examined in that other State. These latter proceedings must be among the proceedings listed in Annex B. Their effects shall be restricted to the assets of the debtor situated within the territory of that other Member State.

Article 28

Applicable law

Save as otherwise provided in this Regulation, the law applicable to secondary proceedings shall be that of the Member State within the territory of which the secondary proceedings are opened.

Status: Point in time view as at 01/01/2008.

Changes to legislation: There are currently no known outstanding effects for the Council regulation (EC) No 1346/2000 (repealed). (See end of Document for details)

Article 29

Right to request the opening of proceedings

The opening of secondary proceedings may be requested by:

- (a) the liquidator in the main proceedings;
- (b) any other person or authority empowered to request the opening of insolvency proceedings under the law of the Member State within the territory of which the opening of secondary proceedings is requested.

Article 30

Advance payment of costs and expenses

Where the law of the Member State in which the opening of secondary proceedings is requested requires that the debtor's assets be sufficient to cover in whole or in part the costs and expenses of the proceedings, the court may, when it receives such a request, require the applicant to make an advance payment of costs or to provide appropriate security.

Article 31

Duty to cooperate and communicate information

1 Subject to the rules restricting the communication of information, the liquidator in the main proceedings and the liquidators in the secondary proceedings shall be duty bound to communicate information to each other. They shall immediately communicate any information which may be relevant to the other proceedings, in particular the progress made in lodging and verifying claims and all measures aimed at terminating the proceedings.

2 Subject to the rules applicable to each of the proceedings, the liquidator in the main proceedings and the liquidators in the secondary proceedings shall be duty bound to cooperate with each other.

3 The liquidator in the secondary proceedings shall give the liquidator in the main proceedings an early opportunity of submitting proposals on the liquidation or use of the assets in the secondary proceedings.

Article 32

Exercise of creditors' rights

1 Any creditor may lodge his claim in the main proceedings and in any secondary proceedings.

2 The liquidators in the main and any secondary proceedings shall lodge in other proceedings claims which have already been lodged in the proceedings for which they were appointed, provided that the interests of creditors in the latter proceedings are served thereby,

Status: Point in time view as at 01/01/2008.

Changes to legislation: There are currently no known outstanding effects for the Council regulation (EC) No 1346/2000 (repealed). (See end of Document for details)

subject to the right of creditors to oppose that or to withdraw the lodgement of their claims where the law applicable so provides.

3 The liquidator in the main or secondary proceedings shall be empowered to participate in other proceedings on the same basis as a creditor, in particular by attending creditors' meetings.

Article 33

Stay of liquidation

1 The court, which opened the secondary proceedings, shall stay the process of liquidation in whole or in part on receipt of a request from the liquidator in the main proceedings, provided that in that event it may require the liquidator in the main proceedings to take any suitable measure to guarantee the interests of the creditors in the secondary proceedings and of individual classes of creditors. Such a request from the liquidator may be rejected only if it is manifestly of no interest to the creditors in the main proceedings. Such a stay of the process of liquidation may be ordered for up to three months. It may be continued or renewed for similar periods.

2 The court referred to in paragraph 1 shall terminate the stay of the process of liquidation:

- at the request of the liquidator in the main proceedings,
- of its own motion, at the request of a creditor or at the request of the liquidator in the secondary proceedings if that measure no longer appears justified, in particular, by the interests of creditors in the main proceedings or in the secondary proceedings.

Article 34

Measures ending secondary insolvency proceedings

1 Where the law applicable to secondary proceedings allows for such proceedings to be closed without liquidation by a rescue plan, a composition or a comparable measure, the liquidator in the main proceedings shall be empowered to propose such a measure himself.

Closure of the secondary proceedings by a measure referred to in the first subparagraph shall not become final without the consent of the liquidator in the main proceedings; failing his agreement, however, it may become final if the financial interests of the creditors in the main proceedings are not affected by the measure proposed.

2 Any restriction of creditors' rights arising from a measure referred to in paragraph 1 which is proposed in secondary proceedings, such as a stay of payment or discharge of debt, may not have effect in respect of the debtor's assets not covered by those proceedings without the consent of all the creditors having an interest.

3 During a stay of the process of liquidation ordered pursuant to Article 33, only the liquidator in the main proceedings or the debtor, with the former's consent, may propose measures laid down in paragraph 1 of this Article in the secondary proceedings; no other proposal for such a measure shall be put to the vote or approved.

Status: Point in time view as at 01/01/2008.

Changes to legislation: There are currently no known outstanding effects for the Council regulation (EC) No 1346/2000 (repealed). (See end of Document for details)

Article 35

Assets remaining in the secondary proceedings

If by the liquidation of assets in the secondary proceedings it is possible to meet all claims allowed under those proceedings, the liquidator appointed in those proceedings shall immediately transfer any assets remaining to the liquidator in the main proceedings.

Article 36

Subsequent opening of the main proceedings

Where the proceedings referred to in Article 3(1) are opened following the opening of the proceedings referred to in Article 3(2) in another Member State, Articles 31 to 35 shall apply to those opened first, in so far as the progress of those proceedings so permits.

Article 37⁽²⁾

Conversion of earlier proceedings

The liquidator in the main proceedings may request that proceedings listed in Annex A previously opened in another Member State be converted into winding-up proceedings if this proves to be in the interests of the creditors in the main proceedings.

The court with jurisdiction under Article 3(2) shall order conversion into one of the proceedings listed in Annex B.

Article 38

Preservation measures

Where the court of a Member State which has jurisdiction pursuant to Article 3(1) appoints a temporary administrator in order to ensure the preservation of the debtor's assets, that temporary administrator shall be empowered to request any measures to secure and preserve any of the debtor's assets situated in another Member State, provided for under the law of that State, for the period between the request for the opening of insolvency proceedings and the judgment opening the proceedings.

Status: Point in time view as at 01/01/2008.

Changes to legislation: There are currently no known outstanding effects for the Council regulation (EC) No 1346/2000 (repealed). (See end of Document for details)

Article 40

Duty to inform creditors

1 As soon as insolvency proceedings are opened in a Member State, the court of that State having jurisdiction or the liquidator appointed by it shall immediately inform known creditors who have their habitual residences, domiciles or registered offices in the other Member States.

2 That information, provided by an individual notice, shall in particular include time limits, the penalties laid down in regard to those time limits, the body or authority empowered to accept the lodgement of claims and the other measures laid down. Such notice shall also indicate whether creditors whose claims are preferential or secured in rem need lodge their claims.

Article 41

Content of the lodgement of a claim

A creditor shall send copies of supporting documents, if any, and shall indicate the nature of the claim, the date on which it arose and its amount, as well as whether he alleges preference, security in rem or a reservation of title in respect of the claim and what assets are covered by the guarantee he is invoking.

Article 42

1 The information provided for in Article 40 shall be provided in the official language or one of the official languages of the State of the opening of proceedings. For that purpose a form shall be used bearing the heading 'Invitation to lodge a claim. Time limits to be observed' in all the official languages of the institutions of the European Union.

2 Any creditor who has his habitual residence, domicile or registered office in a Member State other than the State of the opening of proceedings may lodge his claim in the official language or one of the official languages of that other State. In that event, however, the lodgement of his claim shall bear the heading 'Lodgement of claim' in the official language or one of the official languages of the State of the opening of proceedings.
