

Commission Regulation (EC) No 1825/2000 of 25 August 2000 laying down detailed rules for the application of Regulation (EC) No 1760/2000 of the European Parliament and of the Council as regards the labelling of beef and beef products

Article 7

Checks

- 1 Operators and organisations shall at all times grant the experts of the Commission, the competent authority and the relevant independent control body within the meaning of the third subparagraph of Article 16(1) of Regulation (EC) No 1760/2000, access to its premises and to all records which prove that the information on the labels concerned is correct.
- 2 The competent authority and, in the case referred to in the third subparagraph of Article 16(1) of Regulation (EC) No 1760/2000, the independent control body shall carry out regular spot checks on the basis of risk analysis which shall take into account, in particular, the complexity of the specification concerned. For each check an inspection report shall be made to include any shortcomings as well as the measures proposed to remedy the situation and any deadlines and sanctions imposed.
- 3 Where the option provided for in the third subparagraph of Article 16(1) of Regulation (EC) No 1760/2000 is not taken up, Member States will carry out checks in such a way as to give sufficient guarantees of the accuracy of the labels used. Their frequency shall be determined, in particular, by reference to the complexity of the specification concerned.
- 4 Operators, organisations and independent control bodies shall communicate all relevant information to the competent authority.

Changes to legislation:

There are outstanding changes not yet made to Commission Regulation (EC) No 1825/2000. Any changes that have already been made to the legislation appear in the content and are referenced with annotations.
