

Commission Regulation (EC) No 1488/2001 of 19 July 2001 laying down rules for the application of Council Regulation (EC) No 3448/93 as regards the placement of certain quantities of certain basic products listed in Annex I to the Treaty establishing the European Community under the inward processing arrangements without prior examination of the economic conditions

Article 22

Second and third publication of available quantities

The Commission, taking into account the foreseeable volumes of exports of the goods concerned and the situation of the market of each basic product, shall review the balance regularly and submit it for examination to the Group of Experts.

[^{F1}Where the amount of refunds due is estimated to be greater than the financial resources available, and taking into account the quantities already granted with certificates and the unused quantities of which the Commission has been informed in accordance with Article 25 of this Regulation, the remaining quantity available for each basic product shall be determined in accordance with Article 11(1) of Regulation (EC) No 3448/93. That quantity shall be the subject of a second publication in the *Official Journal of the European Union* by no later than 31 January of each year and of a third publication by no later than 31 May of each year.]
