Article 34a

- 1 The quotas shall be divided into two parts as referred to in Annex III.A:
- a quota No 09.4195 (hereafter called part A) shall be distributed among Community importers who are approved according to the provisions of Article 7 and who can prove:
 - (i) for the quota year 2007, that they have imported under the quota 09.4589 during 2006,
 - (ii) for the quota year 2008, that they have imported under one of the quotas 09.4589, 09.4195 or 09.4182 in the period from 1 January 2006 until 31 December 2007,

Status: Point in time view as at 01/01/2008.

Changes to legislation: There are currently no known outstanding effects for the Commission Regulation (EC) No 2535/2001, TITLE 2. (See end of Document for details)

- (iii) for the following quota years, that they have imported under one of the quotas 09.4589, 09.4195 or 09.4182 in the course of the 24 months prior to the month of November preceding the quota year;
- b quota No 09.4182 (hereafter called part B) shall be reserved for applicants:
 - (i) who are approved according to the provisions of Article 7, or
 - (ii) for the period January to June 2007 for applicants established in Bulgaria and Romania, who comply with the provisions of Article 1(2) of Commission Regulation (EC) No 2018/2006⁽¹³⁾,
and
 - (iii) who can prove that during the 12 month period prior the month of November preceding the quota year that they imported into and/or exported from the Community at least 100 tonnes of milk or milk products covered by Chapter 04 of the Combined Nomenclature in at least 4 separate operations.

However, for the quota years 2007 and 2008, the 12 month period referred to shall be respectively the calendar year 2006 and 2007.

2 The trade performance proofs referred to under points (a) and under points (b)(ii) and (iii) of paragraph 1 shall be valid for both half yearly periods of the quota year.

3 Licence applications may be lodged only during the first 10 days of the following months:

- a in January 2007 and 2008 for the quota subperiod January-June; however for January 2007 licence applications may be lodged during the first 15 days;
- b in the month of November for the following January-June quota subperiods;
- c in the month of June for the quota subperiod July-December.

4 To be admissible, applications for import licences may cover, per applicant:

- a For part A, no more than 125 %:
 - (i) for the quota year 2007, of the quantity of products that they have imported under the quota 09.4589 in 2006,
 - (ii) for the quota year 2008, of the total quantity of products that they have imported under the quotas 09.4589, 09.4195 and 09.4182, in 2006 and 2007,
 - (iii) for the following quota years, of the quantities that they have imported under the quotas 09.4589, 09.4195 or 09.4182, in the course of the 24 month period prior to the month of November preceding the quota year;
- b For part B, not less than 20 tonnes and no more than 10 % of the available quantity for the subperiod and provided they are able to prove to the satisfaction of the competent authority of the Member State concerned that they fulfil the conditions laid down in paragraph 1 point b.

The proofs referred to above shall be submitted at the time the applications for licences are lodged.

Subject to complying with the eligibility conditions, applicants may apply simultaneously under both parts of the quota.

The licence applications must be separate for part A and for part B.

Status: Point in time view as at 01/01/2008.

*Changes to legislation: There are currently no known outstanding effects for the
Commission Regulation (EC) No 2535/2001, TITLE 2. (See end of Document for details)*

Proof of imports or exports shall be furnished in accordance with the second subparagraph of Article 5 of Regulation (EC) No 1301/2006.

5 Licence applications may be lodged only in the Member State of approval, and must bear the importer's approval number.

[^{F22}Before the 15th of the month of application, the Member States shall also communicate to the Commission the names and the addresses of the applicants, broken down by quota number. This notification shall be made by electronic means using the form made available to the Member States by the Commission.]

3 The Commission shall decide within five working days after the notification period referred to in paragraph 1 to what extent applications may be accepted. Where the applied quantities do not exceed the available quota quantities, no decision is taken by the Commission and licences are issued for the quantities applied for.

Where applications for licences for a subquota exceed the available quantity for the quota period in question, the Commission shall apply a uniform allocation coefficient to the quantities for which application is made. The part of the security corresponding to the quantities not allocated shall be released.

Where, for one of the subquotas, the result of applying the allocation coefficient would be to allocate licences for less than 20 tonnes per application, the corresponding quantities available shall be awarded by the Member State concerned by drawing lots for licences of 20 tonnes each amongst the applicants who would have been allocated less than 20 tonnes as a result of applying the allocation coefficient.

Where the result of establishing lots of 20 tonnes leads to a residual quantity of less than 20 tonnes, that quantity shall be considered a single lot.

CHAPTER IV

Checks on reduced-duty imports

Article 43

1 The Community customs offices where products are declared for release for free circulation into the Community shall scrutinise the documents submitted in support of a declaration of release for free circulation claiming reduced-tariff treatment.

They shall also make physical checks on the products, on the basis of the said documents.

2 Member States shall take the necessary measures to establish a system to carry out the physical checks under the second subparagraph of paragraph 1 without prior warning, based on a risk-analysis assessment.

However, up to the end of 2003, the system shall ensure that at least 3 % of the declarations of release for free circulation per Member State and per calendar year are physically checked.

When calculating the minimum rate of physical checks to be carried out, Member States may opt to disregard import declarations involving quantities not exceeding 500 kg.

Article 44

1 Commission Regulation (EC) No 213/2001⁽¹⁴⁾ shall apply as regards the reference methods to be used for analysing products as provided for in this Regulation to determine whether their composition conforms to the declaration of release for free circulation.

2 Each customs office shall produce a detailed examination report for each physical check carried out. This report shall bear the examination date and shall be retained for at least three calendar years.

3 ^{[F18}Where a physical check has been carried out, box 32 of import licences, or the message box in electronic licences, shall contain one of the entries listed in Annex XIX.]

The customs authorities shall assess the results of the first analysis within 20 working days of the date on which the physical check is carried out. Where the definitive results establish non-conformity, these results and, where appropriate, the licence shall be sent to the competent licence-issuing authority within 10 working days from the date on which the results are established.

Without prejudice to Article 248 of Commission Regulation (EEC) No 2454/93⁽¹⁵⁾, where a physical check for composition has been carried out prior to presentation of the endorsed import licence under Article 33(1)(a) of Regulation (EC) No 1291/2000, the security shall be released.

4 Each case of non-conformity with the declaration of release for free circulation shall be notified to the Commission within 10 working days of such non-conformity being established by the customs authorities, specifying in what way the products do not conform and the rate of duty applied as a result of the non-conformity finding.

Status: Point in time view as at 01/01/2008.

Article 45

1 For the purpose of monitoring quantities under tariff quotas, account shall be taken of all quantities for which declarations of release for free circulation have been accepted during the quota period concerned.

2 Each Member State shall notify the Commission by 15 March following each quota year ending on 31 December, and by 15 September following each quota year ending on 30 June, separately for each quota and country of origin, except in the case of New Zealand butter, of the definitive total quantity for the quota year for which declarations of release for free circulation have been accepted.
