adjustments mentioned in Article 14(1) and (3) of this Regulation shall be multiplied by the processing coefficient applying to the product in question.

2 The amount of the refund applying in accordance with Article 13 of Regulation (EC) No 3072/95 for the products listed in Article 1(1)(a) and (b) of that Regulation shall be adjusted in the months from October to July inclusive by an amount equal to the monthly increase applying to the intervention price for paddy rice fixed for that marketing year, based on the processing stage and the applicable processing coefficient.

The first adjustment shall be made on the first day of the calendar month following that in which the licence application is made. Subsequent adjustments shall apply each month.

3 The adjustment provided for in paragraph 2 shall not apply where the amount of the refund is equal to zero.

4 Where the term of validity of the licence extends beyond the end of the marketing year and export occurs in the following marketing year, refunds, excluding the monthly increases referred to in paragraph 2, shall be reduced by the break in the intervention price for paddy rice between the two marketing years, based on the processing stage and the applicable processing coefficient.

This price break shall occur on 1 September and shall be defined as:

- a the difference between the intervention price for paddy rice, exclusive of any monthly increase for the previous and the new marketing years;
- b an amount equal to the monthly increase multiplied by the number of months elapsing between October and the month of the licence application, inclusive.

These two factors shall be converted using the relevant processing coefficient applicable at the time the product is exported.

Where the price break is greater than the refund in question, the corrected refund shall be reduced to zero.

Refunds shall be reduced by (a) and (b) of the second subparagraph, on the basis of the milling stage and shall be increased from October of the new marketing year by the monthly increase applying to the new marketing year, in accordance with the rules set out in paragraph 2.
