

Regulation (EC) No 638/2004 of the European Parliament and of the Council
of 31 March 2004 on Community statistics relating to the trading of goods
between Member States and repealing Council Regulation (EEC) No 3330/91

f¹ Article 13a

Exercise of the delegation

1 The power to adopt delegated acts is conferred on the Commission subject to the conditions laid down in this Article.

2 When exercising the power delegated in Article 3(4), Article 10(3), (4) and (5) and point (a) of Article 12(1) of this Regulation, the Commission shall act in accordance with Article 14(3) of Regulation (EC) No 223/2009, ensuring, inter alia, that the delegated acts do not impose a significant additional burden on the Member States and on the respondents.

It is of particular importance that the Commission follow its usual practice and carry out consultations with experts, including Member States' experts, before adopting those delegated acts.

3 The power to adopt delegated acts referred to in Article 3(4), Article 10(3), (4) and (5) and point (a) of Article 12(1) shall be conferred on the Commission for a period of five years from 17 July 2014. The Commission shall draw up a report in respect of the delegation of power not later than nine months before the end of the five-year period. The delegation of power shall be tacitly extended for periods of an identical duration, unless the European Parliament or the Council opposes such extension not later than three months before the end of each period.

4 The delegation of power referred to in Article 3(4), Article 10(3), (4) and (5) and point (a) of Article 12(1) may be revoked at any time by the European Parliament or by the Council. A decision to revoke shall put an end to the delegation of the power specified in that decision. It shall take effect the day following the publication of the decision in the *Official Journal of the European Union* or at a later date specified therein. It shall not affect the validity of any delegated acts already in force.

5 As soon as it adopts a delegated act, the Commission shall notify it simultaneously to the European Parliament and to the Council.

6 A delegated act adopted pursuant to Article 3(4), Article 10(3), (4) and (5) and point (a) of Article 12(1) shall enter into force only if no objection has been expressed either by the European Parliament or the Council within a period of three months of notification of that act to the European Parliament and the Council or if, before the expiry of that period, the European Parliament and the Council have both informed the Commission that they will not object. That period shall be extended by three months at the initiative of the European Parliament or the Council.]
