OTHER COMMUNITY ACTIVITIES

Article 52

Third-country controls in Member States

- 1 Commission experts may, at the request of and in cooperation with the competent authorities of Member States, assist Member States during controls that third countries carry out.
- 2 In such cases, Member States in whose territory a third country is to carry out a control shall inform the Commission about the planning, scope, documentation and any other relevant information enabling the Commission to take part effectively in the control.
- 3 The Commission's assistance shall serve in particular to:
 - a clarify Community feed and food law and animal health and animal welfare rules;
 - b provide information and data available at Community level that may be useful for the control carried out by the third country;
 - c ensure uniformity with regard to controls carried out by third countries.

Article 53

Coordinated control plans

The Commission may recommend coordinated plans in accordance with the procedure referred to in Article 62(2). These plans shall be:

- (a) organised annually in accordance with a programme;
and
- (b) where considered necessary, organised on an ad hoc basis, in particular with a view to establishing the prevalence of hazards in feed, food or animals.]
