

Council Regulation (EC) No 1184/2005 of 18 July 2005 imposing certain specific restrictive measures directed against certain persons impeding the peace process and breaking international law in the conflict in the Darfur region in Sudan (repealed)

COUNCIL REGULATION (EC) No 1184/2005  
of 18 July 2005

imposing certain specific restrictive measures directed against certain persons impeding the peace process and breaking international law in the conflict in the Darfur region in Sudan (repealed)

THE COUNCIL OF THE EUROPEAN UNION,

Having regard to the Treaty establishing the European Community, and in particular Articles 60, 301 and 308 thereof,

Having regard to Common Position 2005/411/CFSP of 30 May 2005 concerning restrictive measures against Sudan<sup>(1)</sup>,

Having regard to the proposal from the Commission,

Having regard to the opinion of the European Parliament<sup>(2)</sup>,

Whereas:

- (1) In its Resolution 1591 (2005) of 29 March 2005, the UN Security Council, acting under Chapter VII of the Charter of the United Nations, and deploring strongly that the Government of Sudan and rebel forces and all other armed groups in Darfur have failed to comply with their commitments and the demands of the Security Council, decided to impose certain additional restrictive measures in respect of Sudan.
- (2) Common Position 2005/411/CFSP provides, *inter alia*, for implementation of the freezing of funds and economic resources of those persons designated by the competent United Nations Sanctions Committee, who impede the peace process, constitute a threat to stability in Darfur and the region, commit violations of international humanitarian or human rights law or other atrocities, violate the arms embargo or are responsible for certain offensive military flights in and over the Darfur region. These measures fall within the scope of the Treaty and, therefore, in order to avoid any distortion of competition, Community measures are necessary to implement them as far as the Community is concerned.
- (3) For the purpose of this Regulation, the territory of the Community should be deemed to encompass the territories of the Member States to which the Treaty is applicable, under the conditions laid down in that Treaty.
- (4) In order to ensure that the measures provided for in this Regulation are effective, this Regulation should enter into force on the day of its publication.
- (5) The Treaty, in Articles 60 and 301, empowers the Council to take, under certain conditions, measures aimed at the interruption or reduction of payments or movement

of capital and of economic relations with regard to third countries. The measures laid down in this Regulation, targeted also at individual persons not directly linked to the government of a third country, are necessary to attain this objective of the Community and Article 308 of the Treaty empowers the Council to take such measures if no other specific powers are provided for in the Treaty,

HAS ADOPTED THIS REGULATION:

2 No funds or economic resources shall be made available, directly or indirectly, to or for the benefit of the natural or legal persons, entities or bodies listed in Annex I.

3 The participation, knowingly and intentionally, in activities the object or effect of which is, directly or indirectly, to circumvent the measures referred to in paragraphs 1 and 2 shall be prohibited.

#### *Article 3*

1 By way of derogation from Article 2 the competent authorities of the Member States, as listed in Annex II, may authorise the release of certain frozen funds or economic resources or the making available of certain frozen funds or economic resources, under such conditions as they deem appropriate, after having determined that the funds or economic resources concerned are:

- a necessary for basic expenses, including payments for foodstuffs, rent or mortgage, medicines and medical treatment, taxes, insurance premiums, and public utility charges;
- b intended exclusively for payment of reasonable professional fees and reimbursement of incurred expenses associated with the provision of legal services;

2 By way of derogation from Article 2 the competent authorities of the Member States, as listed in Annex II, may authorise the release of certain frozen funds or economic resources or the making available of certain frozen funds or economic resources, after having determined that the funds or economic resources are necessary for extraordinary expenses, provided that this determination has been notified by the Member State to the Sanctions Committee and that the determination has been approved by that Committee.

#### *Article 4*

By way of derogation from Article 2, the competent authorities of the Member States as listed in Annex II may authorise the release of certain frozen funds or economic resources, if the following conditions are met:

- (a) the funds or economic resources are subject of a judicial, administrative or arbitral lien established prior to 29 March 2005 or of a judicial, administrative or arbitral judgment rendered prior to that date;

- (d) recognising the lien or judgment is not contrary to public policy in the Member State concerned;
- (e) the lien or judgment has been notified by the Member State to the Sanctions Committee.

#### *Article 5*

1 Article 2(2) shall not apply to the addition to frozen accounts of:

a interest or other earnings on those accounts; or

provided that any such interest, other earnings and payments are frozen in accordance with Article 2(1).

2 Article 2(2) shall not prevent the crediting of the frozen accounts by financial or credit institutions that receive funds transferred by third parties to the account of the person, entity or body listed in Annex I, provided that any such additions to such accounts will also be frozen. The financial or credit institutions shall inform the competent authorities about such transactions without delay.

#### *Article 6*

1 Without prejudice to the applicable rules concerning reporting, confidentiality and professional secrecy and to the provisions of Article 284 of the Treaty, natural and legal persons, entities and bodies shall:

- a supply immediately any information which would facilitate compliance with this Regulation, such as accounts and amounts frozen in accordance with Article 2, to the competent authorities of the Member States listed in Annex II where they are resident or located, and shall transmit such information, directly or through these competent authorities, to the Commission;
- b cooperate with the competent authorities listed in Annex II in any verification of this information.

2 Any additional information directly received by the Commission shall be made available to the competent authorities of the Member State concerned.

3 Any information provided or received in accordance with paragraphs 1 and 2 shall be used only for the purposes for which it was provided or received.

#### *Article 7*

The freezing of funds and economic resources or the refusal to make funds or economic resources available, carried out in good faith on the basis that such action is in accordance with this Regulation, shall not give rise to liability of any kind on the part of the natural or legal person, entity or body implementing it, or its directors or employees, unless it is proved that the funds and economic resources were frozen as result of negligence.

#### *Article 8*

The Commission and Member States shall immediately inform each other of the measures taken under this Regulation and shall supply each other with any other relevant information at their disposal in connection with this Regulation, in particular information in respect of violation and enforcement problems and judgments handed down by national courts.
