

Commission Regulation (EC) No 1804/2005 of 3 November 2005
amending Regulation (EEC) No 2807/83 laying down detailed rules for
recording of information on Member States' catches of fish (repealed)

COMMISSION REGULATION (EC) No 1804/2005
of 3 November 2005

amending Regulation (EEC) No 2807/83 laying down detailed rules for
recording of information on Member States' catches of fish (repealed)

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Community,

Having regard to Council Regulation (EC) No 2371/2002⁽¹⁾ of 20 December 2002 on the
conservation and sustainable exploitation of fisheries resources under the Common Fisheries
Policy, and in particular Article 22(3) thereof,

Whereas:

- (1) Council Regulation (EC) No 1954/2003 of 4 November 2003 on the management
of the fishing effort relating to certain Community fishing areas and resources and
modifying Regulation (EEC) No 2847/93 and repealing Regulations (EC) No 685/95
and (EC) No 2027/95⁽²⁾ establishes the criteria and procedures for a system relating to
the management of fishing effort in western waters.
- (2) Council Regulation (EC) No 1415/2004 of 19 July 2004 fixing the maximum annual
fishing effort for certain fishing areas and fisheries⁽³⁾ sets the maximum annual fishing
effort for each Member State and for each area and fishery defined in Articles 3 and 6
of Regulation (EC) No 1954/2003.
- (3) Commission Regulation (EEC) No 2807/83 of 22 September 1983 laying down detailed
rules for recording information on Member States' catches of fish⁽⁴⁾ is no longer in line
with Regulations (EC) No 1954/2003 and 1415/2004 as regards western waters. It is
therefore necessary to amend Annex VIa of Regulation (EC) No 2807/83 to reflect the
new arrangements.
- (4) Council Regulation (EC) No 779/97⁽⁵⁾ introduced arrangements for the management of
fishing effort in the Baltic Sea. The existing obligations for recording of fishing effort
in the Baltic Sea should remain in force.
- (5) The measures provided for in this Regulation are in accordance with the opinion of the
Committee for Fisheries and Aquaculture,

HAS ADOPTED THIS REGULATION:

Status: This is the original version (as it was originally adopted).
