Article 5

Specific obligations

1 For operations at the level of primary production of feed and the following associated operations:

- a transport, storage and handling of primary products at the place of production;
- b transport operations to deliver primary products from the place of production to an establishment;
- c mixing of feed for the exclusive requirements of their own holdings without using additives or premixtures of additives with the exception of silage additives,

feed business operators shall comply with the provisions in Annex I, where relevant for the operations carried out.

2 For operations other than those referred to in paragraph 1, including mixing of feed for the exclusive requirements of their own holdings when using additives or premixtures of additives with the exception of silage additives, feed business operators shall comply with the provisions in Annex II, where relevant for the operations carried out.

[^{F53} Feed business operators must:

- a comply with specific microbiological criteria;
- b take measures or adopt procedures necessary to meet specific targets.

The criteria and targets referred to in points (a) and (b) may be prescribed by the appropriate authority.]

Changes to legislation: There are currently no known outstanding effects for the Regulation (EC) No 183/2005 of the European Parliament and of the Council. (See end of Document for details)

4 Feed business operators may use the guides provided for in Chapter III to help them comply with their obligations under this Regulation.

5 Farmers shall comply with the provisions set out in Annex III when feeding food-producing animals.

6 Feed business operators and farmers shall only source and use feed from establishments which are registered and/or approved in accordance with this Regulation.

Article 6

Hazard analysis and critical control points (HACCP) system

1 Feed business operators carrying out operations other than those referred to in Article 5(1) shall put in place, implement and maintain, a permanent written procedure or procedures based on the HACCP principles.

2 The principles referred to in paragraph 1 are the following:

- a identify any hazards that must be prevented, eliminated or reduced to acceptable levels;
- b identify the critical control points at the step or steps at which control is essential to prevent or eliminate a hazard or reduce it to acceptable levels;
- c establish critical limits at critical control points which separate acceptability from unacceptability, for the prevention, elimination or reduction of identified hazards;
- d establish and implement effective monitoring procedures at critical control points;
- e establish corrective action when monitoring indicates that a critical control point is not under control;
- f establish procedures to verify that the measures outlined in points (a) to (e) are complete and working effectively. Verification procedures shall be carried out regularly;
- g establish documents and records commensurate with the nature and size of the feed businesses to demonstrate the effective application of the measures set out in points (a) to (f).

3 When any modification is made in a product, process or any stage of production, processing, storage and distribution, feed business operators shall review their procedure and make the necessary changes.

4 As part of the system of procedures referred to in paragraph 1, feed business operators may use guides to good practice in conjunction with guides on the application of HACCP^{F6}...

[^{F75} Measures to facilitate the implementation of this Article, including for small businesses, may be prescribed by the appropriate authority.]

Article 13

Approval of establishments

1 The competent authority shall approve establishments only where an on-site visit, prior to start-up of any activity, has demonstrated that they meet the relevant requirements of this Regulation.

2 The competent authority may grant conditional approval if it appears, from the on-site visit, that the establishment meets all the infrastructure and equipment requirements. It shall grant full approval only if it appears, from a new on-site visit carried out within three months of granting conditional approval, that the establishment meets the other requirements referred to in paragraph 1. If clear progress has been made, but the establishment still does not meet all of these requirements, the competent authority may prolong conditional approval. However, conditional approval shall not exceed a total of six months.

Article 14

Suspension of registration or approval

The competent authority shall temporarily suspend the registration or the approval of an establishment for one, more or all of its activities, where it is shown that the establishment no longer fulfils the conditions applicable to those activities.

Such suspension shall last until the establishment again meets those conditions. Where such conditions are not met within one year, Article 15 shall apply.

Article 15

Revocation of registration or approval

The competent authority shall revoke the registration or the approval of an establishment, for one or more of its activities, where:

- (a) the establishment ceases one or more of its activities;

Changes to legislation: There are currently no known outstanding effects for the Regulation (EC) No 183/2005 of the European Parliament and of the Council. (See end of Document for details)

- (b) it is shown that the establishment has not fulfilled the conditions applicable to its activities, for a period of one year;
- (c) it identifies serious deficiencies or has had to stop production at an establishment repeatedly and the feed business operator is still not able to provide adequate guarantees regarding future production.

Article 16

Amendments to registration or approval of an establishment

Upon request, the competent authority shall amend the registration or approval of an establishment, where it has demonstrated its capacity to develop activities which are additional to those for which it was first registered or approved, or which replace them.

^{F14} Article 17

Exemption from on-site visits

1 Competent authorities are exempted from the obligation to carry out on site visits, as provided for in Article 13, of feed businesses which act solely as traders, without holding the products on their premises.

2 Such feed businesses must submit to the competent authority a declaration, in a form decided upon by the competent authority, to the effect that the feeds placed on the market by them comply with the conditions of this Regulation.]

Article 18

Transitional measures

1 Establishments and intermediaries approved and/or registered in accordance with Directive 95/69/EC may continue their activities, on condition that they submit, by 1 January 2006, a notification to this effect to the relevant competent authority in whose area their facilities are located.

2 Establishments and intermediaries requiring neither registration nor approval in accordance with Directive 95/69/EC, but requiring registration in accordance with this Regulation may continue their activities, on condition that they submit, by 1 January 2006, an application for registration to the relevant competent authority in whose area their facilities are located.

3 By 1 January 2008 the applicant must declare, in a form decided upon by the competent authority, that the conditions laid down in this Regulation are being met.

4 The competent authorities shall take account of the systems already existing for the collection of data and request the notifier or the applicant to provide only additional information

which guarantees compliance with the conditions of this Regulation. In particular, the competent authorities may consider as an application under paragraph 2 a notification pursuant to Article 6 of Regulation (EC) No 852/2004.

Article 19

List of registered and approved establishments

1 For each activity, the competent authority shall record in a national list or lists the establishments it has registered in accordance with Article 9.

2 Establishments approved by the competent authority in accordance with Article 13 shall be recorded in a national list, under an individual identifying number.

3 ^[F15]Competent authorities shall keep updated the records of establishments in the lists referred to in paragraphs 1 and 2 in accordance with the decisions referred to in Articles 14, 15 and 16 to suspend, revoke or amend registration or approval.

4 The list referred to in paragraph 2 must be drawn up in accordance with the model set out in Annex V, Chapter I.

5 The identifying number referred to in paragraph 2 shall be in the form set out in Annex V, Chapter II.
