## ANNEX

Notwithstanding the rules for the interpretation of the Combined Nomenclature, the wording for the description of the products is to be considered as having no more than an indicative value, the concessions being determined, within the context of this Annex, by the coverage of the CN codes as they exist at the time of adoption of the current Regulation. Where ex CN codes are indicated, the concessions are to be determined by application of the CN code and corresponding description taken together.

In Part Two 'Schedule of customs duties' of Annex I to Regulation (EEC) No 2658/87, the following duty rates shall apply for the period indicated:

CN code	Description	Duty rate
1511 90 19	Solid palm oil fractions, whether or not refined, but not chemically modified, in packing of > 1 kg	An applied rate of 10,0 % (*)
8525 40 99	Other video camera recorders, other than those only able to record sound and images taken by the television camera	Implemented through Council Regulation (EC) No 2114/2005

(\*) The lower applied rate indicated above is to be applied for three years or until the implementation of the results of the Doha Development Agenda Round reaches the tariff level above, whichever comes first.'
