

Commission Regulation (EC) No 1998/2006 of 15 December 2006 on the application of Articles 87 and 88 of the Treaty to de minimis aid

Article 2

De minimis aid

1 Aid measures shall be deemed not to meet all the criteria of Article 87(1) of the Treaty and shall therefore be exempt from the notification requirement of Article 88(3) of the Treaty, if they fulfil the conditions laid down in paragraphs 2 to 5 of this Article.

2 The total *de minimis* aid granted to any one undertaking shall not exceed EUR 200 000 over any period of three fiscal years. The total *de minimis* aid granted to any one undertaking active in the road transport sector shall not exceed EUR 100 000 over any period of three fiscal years. These ceilings shall apply irrespective of the form of the *de minimis* aid or the objective pursued and regardless of whether the aid granted by the Member State is financed entirely or partly by resources of Community origin. The period shall be determined by reference to the fiscal years used by the undertaking in the Member State concerned.

When an overall aid amount provided under an aid measure exceeds this ceiling, that aid amount cannot benefit from this Regulation, even for a fraction not exceeding that ceiling. In such a case, the benefit of this Regulation cannot be claimed for this aid measure either at the time the aid is granted or at any subsequent time.

3 The ceiling laid down in paragraph 2 shall be expressed as a cash grant. All figures used shall be gross, that is, before any deduction of tax or other charge. Where aid is awarded in a form other than a grant, the aid amount shall be the gross grant equivalent of the aid.

Aid payable in several instalments shall be discounted to its value at the moment of its being granted. The interest rate to be used for discounting purposes and to calculate the gross grant equivalent shall be the reference rate applicable at the time of grant.

4 This Regulation shall apply only to aid in respect of which it is possible to calculate precisely the gross grant equivalent of the aid *ex ante* without need to undertake a risk assessment ('transparent aid'). In particular:

- a Aid comprised in loans shall be treated as transparent *de minimis* aid when the gross grant equivalent has been calculated on the basis of market interest rates prevailing at the time of the grant.
- b Aid comprised in capital injections shall not be considered as transparent *de minimis* aid, unless the total amount of the public injection does not exceed the *de minimis* ceiling.
- c Aid comprised in risk capital measures shall not be considered as transparent *de minimis* aid, unless the risk capital scheme concerned provides capital only up to the *de minimis* ceiling to each target undertaking.
- d Individual aid provided under a guarantee scheme to undertakings which are not undertakings in difficulty shall be treated as transparent *de minimis* aid when the guaranteed part of the underlying loan provided under such scheme does not exceed EUR 1 500 000 per undertaking. Individual aid provided under a guarantee scheme in favour of undertakings active in the road transport sector which are not undertakings in difficulty shall be treated as transparent *de minimis* aid when the guaranteed part of the underlying loan provided under such scheme does not exceed EUR 750 000 per undertaking. If the guaranteed part of the underlying loan only accounts for a given

Changes to legislation: Commission Regulation (EC) No 1998/2006, Article 2 is up to date with all changes known to be in force on or before 25 September 2023. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details) [View outstanding changes](#)

proportion of this ceiling, the gross grant equivalent of that guarantee shall be deemed to correspond to the same proportion of the applicable ceiling laid down in Article 2(2). The guarantee shall not exceed 80 % of the underlying loan. Guarantee schemes shall also be considered as transparent if (i) before the implementation of the scheme, the methodology to calculate the gross grant equivalent of the guarantees has been accepted following notification of this methodology to the Commission under another Regulation adopted by the Commission in the State aid area and (ii) the approved methodology explicitly addresses the type of guarantees and the type of underlying transactions at stake in the context of the application of this Regulation.

5 *De minimis* aid shall not be cumulated with State aid in respect of the same eligible costs if such cumulation would result in an aid intensity exceeding that fixed in the specific circumstances of each case by a block exemption Regulation or Decision adopted by the Commission.
