

Commission Regulation (EC) No 952/2006 of 29 June 2006 laying down detailed rules for the application of Council Regulation (EC) No 318/2006 as regards the management of the Community market in sugar and the quota system

CHAPTER III

APPROVAL OF MANUFACTURERS AND REFINERS

Article 9

Records

The competent authority of the Member State shall determine the records to be kept by all undertakings approved in accordance with Articles 7 and 8, at each of their production sites, and the frequency of such record-keeping, which must be at least monthly.

These records shall be kept by the undertaking for at least three years following the current year and comprise at least the following information:

1. the quantities of raw material received with, in the case of beet and cane, the sugar content as determined on delivery to the undertaking;
2. where appropriate, the end products or semi-finished products received;
3. the quantities of end products obtained, and the quantities of by-products;
4. the wastage during processing;
5. the quantities destroyed and the reasons for such destruction;
6. the quantities of end products dispatched.

Changes to legislation:

There are outstanding changes not yet made to Commission Regulation (EC) No 952/2006. Any changes that have already been made to the legislation appear in the content and are referenced with annotations.
