

Commission Regulation (EC) No 967/2006 of 29 June 2006 laying down detailed rules for the application of Council Regulation (EC) No 318/2006 as regards sugar production in excess of the quota

#### CHAPTER IV

### CARRY FORWARD

#### *Article 14*

#### **Quantities carried forward**

Manufacturers may, under Article 14 of Regulation (EC) No 318/2006, carry forward to the next marketing year a quantity of raw material equal to or less than the surplus, compared to the quota allocated, of total production in that year, including the quantities previously carried forward to the current marketing year in accordance with that Article or withdrawn from the market in accordance with Article 19 of that Regulation.

#### *Article 15*

#### **Carry-forward of sugar**

1 The conditions for carrying forward sugar in accordance with Article 14 of Regulation (EC) No 318/2006 shall be laid down by an agreement within the trade as referred to in Article 6 of that Regulation and shall concern in particular the quantity of beet corresponding to the quantity of sugar to be carried forward and the breakdown of this quantity among beet producers.

2 Beet which corresponds to the quantity of sugar carried forward shall be paid for by the undertaking in question at a price which is at least equal to the minimum price and under the terms applicable to beet delivered as part of the quota production of the marketing year to which the sugar is carried forward.

#### *Article 16*

#### **Carry-forward of isoglucose**

Isoglucose manufacturers which decide to carry forward in a particular marketing year shall communicate their decision to the competent authorities of the Member State which approved them by 31 October of the following marketing year.
