### TITLE III

## PRODUCER ORGANISATIONS

### CHAPTER III

#### Extension of rules to producers of an economic area

#### *Article 14*

#### **Extension of rules**

1 In cases where a producer organisation operating in a specific economic area is considered, in respect of a specific product, to be representative of production and producers in that area, the Member State concerned may, at the request of the producer organisation, make the following rules binding on producers established in that economic area who do not belong to the producer organisation:

- a the rules referred to in Article 3(2)(a);
- b the rules required to implement the measures referred to in Article 9(2)(c).

The first subparagraph shall apply on condition that those rules:

- a have been in force for at least one marketing year;
- b are included in the exhaustive list in Annex I;
- c are made binding for no more than three marketing years.

However, the condition referred to in point (a) of the second subparagraph shall not apply if the rules concerned are those listed in points 1, 3 and 5 of Annex I. In this case, the extension of rules may not apply for more than one marketing year.

2 For the purposes of this Chapter, 'economic area' means a geographical zone made up of adjoining or neighbouring production regions in which production and marketing conditions are homogeneous.

Member States shall notify a list of economic areas to the Commission.

Within one month of notification, the Commission shall approve the list or shall, after consultation with the Member State concerned, decide on the amendments which the latter is to make to it. The Commission shall make the approved list publicly available using the methods it considers appropriate.

3 A producer organisation shall be deemed representative within the meaning of paragraph 1 where its members account for at least 50 % of the producers in the economic area in which it operates and it covers at least 60 % of the volume of production of that area.

Without prejudice to paragraph 5, in calculating these percentages account shall not be taken of producers or production of organic products covered by Regulation (EEC) No 2092/91.

- 4 The rules which are made binding on all producers in a specific economic area:
- a shall not cause any damage to other producers in the Member State concerned or in the Community;
  - b shall not apply, unless they expressly cover them, to products delivered for processing under a contract signed before the beginning of the marketing year, with the exception of the rules on production reporting referred to in Article 3(2)(a);
  - c shall not be incompatible with Community and national rules in force.

5 Rules may not be made binding on producers of organic products covered by Regulation (EEC) No 2092/91 unless such a measure has been agreed to by at least 50 % of such producers in the economic area in which the producer organisation operates and that organisation covers at least 60 % of such production of that area.
