

Commission Regulation (EC) No 1375/2007 of 23 November  
2007 on imports of residues from the manufacture of starch from  
maize from the United States of America (Codified version)

*Article 1*

1 A laboratory analysis shall be carried out to verify the conformity of residues from the manufacture of starch from maize imported into the Community from the USA under CN code 2309 90 20 with the definition of this code for all shipments not accompanied by a certificate issued by the Federal Grain Inspection Service (FGIS) and a certificate issued by the USA wet milling industry as set out in the Annex I.

2 Shipments from the USA which are accompanied by the two certificates referred to in paragraph 1 are subject to the customary measures for checking imports.

*Article 2*

The Member States shall communicate to the Commission before the end of each month the quantities and value of products imported under the CN code 2309 90 20 during the previous month and accompanied by the certificates of conformity specified in Article 1(1).

*Article 3*

Regulation (EC) No 2019/94 is repealed.

References to the repealed Regulation shall be construed as references to this Regulation and shall be read in accordance with the correlation table in Annex III.

*Article 4*

This Regulation shall enter into force on the 20th day following its publication in the *Official Journal of the European Union*.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 23 November 2007.

*For the Commission*

*The President*

José Manuel BARROSO
