for certain matters relating to the management of the quotas concerned. In order to rationalise and simplify the procedures for operators in the rice and cereals sectors, as well as to improve the management of these quotas by the Member States and the Commission, these Regulations should be amended.

- (2) To this end, common, harmonised rules should be laid down for all these quotas with regard to the deadline for submitting import licence applications, stating that this deadline must always be Friday at 13:00, as well as detailed rules concerning the communication of information by Member States to the Commission.
- (3) As regards quotas in the rice sector, the possibility should be provided, in a harmonised way, for an operator to give up quantities below 20 tonnes when this has been allocated to him following application of an allocation coefficient.
- (4) Regarding Regulation (EC) No 955/2005 in particular, it should be specified that the rules applicable to the transport document and the proof of preferential origin on release for free circulation of the product are set out in Protocol IV to Council Decision 2004/635/EC of 21 April 2004 on the conclusion of a Euro-Mediterranean Association Agreement between the European Communities and their Member States, of the one part, and the Arab Republic of Egypt, of the other part⁽¹²⁾.
- (5) Regulations (EC) No 2058/96, (EC) No 2375/2002, (EC) No 2377/2002, (EC) No 2305/2003, (EC) No 955/2005, (EC) No 969/2006 and (EC) No 1964/2006 should therefore be amended accordingly.
- (6) The measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Cereals,

HAS ADOPTED THIS REGULATION:

Article 1

Regulation (EC) No 2058/96 is hereby amended as follows:

1. Article 2(1) is replaced by the following:
 1. Applications for import licences shall relate to a quantity of at least 5 tonnes and at most 500 tonnes.

Each licence application shall indicate a quantity in kilograms (whole numbers).

Applications for import licences shall be lodged with the competent authorities of the Member States no later than 13:00 (Brussels time) every Friday.

2. Article 3 is replaced by the following:

Article 3

1. Where the quantities applied for in a given week exceed the quantity available under the quota, the Commission shall fix the allocation coefficient for the quantities applied for during that week, pursuant to Article 7(2) of Regulation (EC) No 1301/2006, no later than the fourth working day following the last day for the submission of applications for that week, as referred to in the third subparagraph of Article 2(1) of this Regulation, and shall suspend the submission of new licence applications until the end of the quota period.

Changes to legislation: Commission Regulation (EC) No 1456/2007 is up to date with all changes known to be in force on or before 07 December 2023.
