## Article 27

### Establishment of the Community IUU vessel list

1 The Commission shall, in accordance with the procedure referred to in Article 54(2), establish a Community IUU vessel list. The list shall include the fishing vessels in relation to which, further to the measures taken pursuant to Articles 25 and 26, the information obtained in accordance with this Regulation establishes that they are engaged in IUU fishing and whose flag States have not complied with the official requests referred to in Article 26(2)(b) and (c) and Article 26(3)(b) and (c), in response to such IUU fishing.

2 Before placing any fishing vessel on the Community IUU vessel list, the Commission shall provide the owner and, where appropriate, the operator of the fishing vessel concerned with a detailed statement of reasons for the intended listing and with all elements supporting the suspicion that the fishing vessel has carried out IUU fishing. The statement shall mention the right to ask for or to provide additional information, and give the owner, and, where appropriate, the operator the possibility of being heard and to defend their case, leaving them adequate time and facilities.

3 When a decision is taken to place a fishing vessel on the Community IUU vessel list, the Commission shall notify that decision, and the reasons for it, to the owner and, where appropriate, the operator of the fishing vessel.

4 The obligations imposed on the Commission by paragraphs 2 and 3 shall apply without prejudice to the primary responsibility of the flag State over the fishing vessel, and only in so far as the relevant information on the identification of the fishing vessel owner and operator is at the disposal of the Commission.

5 The Commission shall notify the flag State of the inclusion of the fishing vessel on the Community IUU vessel list and shall provide the flag State with the detailed reasons for listing.

6 The Commission shall request flag States with fishing vessels on the Community IUU vessel list to:

- a notify the owner of the fishing vessel of its inclusion on the Community IUU vessel list, of the reasons justifying this inclusion and of the consequences resulting from it, as laid down in Article 37; and
- b take all the necessary measures to eliminate IUU fishing, including, if necessary, the withdrawal of the registration or the fishing licences of the fishing vessels concerned, and to inform the Commission of the measures taken.

7 This Article shall not apply to Community fishing vessels if the flag Member State has taken action in accordance with paragraph 8.

8 Community fishing vessels shall not be included in the Community IUU vessel list if the flag Member State has taken action pursuant to this Regulation and Regulation (EEC) No 2847/93 against breaches constituting serious infringements as laid down in Article 3(2), without prejudice to the action taken by regional fisheries management organisations.
