

Regulation (EC) No 106/2008 of the European Parliament and
of the Council of 15 January 2008 on a Union energy-efficiency
labelling programme for office equipment (recast version)

[^{F1}Article 11

Preparatory procedures for the revision of technical criteria

1 With a view to preparing for the revision of the Common Specifications and of the office equipment product groups covered by Annex C to the Agreement, and before submitting a draft proposal or replying to USEPA in accordance with the procedures laid down in the Agreement and in Council Decision 2013/107/EU of 13 November 2012 on the signing and conclusion of the Agreement between the Government of the United States of America and the European Union on the coordination of energy-efficiency labelling programmes for office equipment⁽¹⁾, the steps set out in paragraphs 2 to 5 shall be taken.

2 The Commission may request the EUESB to make a proposal for the revision of the Agreement or of the Common Specifications for a product. The Commission may make a proposal to the EUESB for the revision of the Common Specifications for a product or the Agreement. The EUESB may also make a proposal to the Commission on its own initiative.

3 The Commission shall consult the EUESB whenever it receives a proposal for revision of the Agreement from USEPA.

4 When giving their views to the Commission, the members of the EUESB shall take into account the results of feasibility and market studies and best available technology for reducing energy consumption.

5 The Commission shall take particular account of the objective of setting Common Specifications at an ambitious level, as provided for in Article I, paragraph 3, of the Agreement, with the aim of reducing energy consumption and shall have due regard for the technology available and the associated life-cycle costs. In particular, the EUESB shall, before giving its views on any new Common Specifications, take into account the latest results of ecodesign studies.]
