

Regulation (EC) No 106/2008 of the European Parliament and
of the Council of 15 January 2008 on a Union energy-efficiency
labelling programme for office equipment (recast version)

[^{F1}Article 6

Promotion of energy-efficiency criteria

1 For the duration of the Agreement, central government authorities within the meaning of Directive 2004/18/EC of the European Parliament and of the Council of 31 March 2004 on the coordination of procedures for the award of public works contracts, public supply contracts and public service contracts⁽¹⁾ shall, without prejudice to Union and national law and economic criteria, specify energy-efficiency requirements not less demanding than the Common Specifications for public supply contracts having a value equal to or greater than the thresholds laid down in Article 7 of that Directive. Contracting authorities at regional and local level shall be encouraged by Member States to use those requirements. This Article shall apply without prejudice to the provisions laid down in Article 6 of Directive 2012/27/EU and in point (c) of Annex III to that Directive.

2 For the duration of the Agreement the Commission and the other Union institutions shall, without prejudice to Union and national law and economic criteria, specify energy-efficiency requirements not less demanding than the Common Specifications for public supply contracts having a value equal to or greater than the thresholds laid down in Article 7 of Directive 2004/18/EC.]
