

Council Regulation (EC) No 1299/2008 of 9 December 2008 fixing for the 2009 fishing year the guide prices and Community producer prices for certain fishery products pursuant to Regulation (EC) No 104/2000

COUNCIL REGULATION (EC) No 1299/2008

of 9 December 2008

fixing for the 2009 fishing year the guide prices and Community producer prices for certain fishery products pursuant to Regulation (EC) No 104/2000

THE COUNCIL OF THE EUROPEAN UNION,

Having regard to the Treaty establishing the European Community,

Having regard to Council Regulation (EC) No 104/2000 of 17 December 1999 on the common organisation of the markets in fishery and aquaculture products⁽¹⁾, and in particular Article 18(3) and Article 26(1) thereof,

Having regard to the proposal from the Commission,

Whereas:

- (1) Article 18(1) and Article 26(1) of Regulation (EC) No 104/2000 provide that a guide price and a Community producer price should be fixed for each fishing year in order to determine price levels for intervention on the market for certain fisheries products.
- (2) Article 18(1) of Regulation (EC) No 104/2000 requires the guide price to be fixed for each of the products and groups of products listed in Annexes I and II to that Regulation.
- (3) On the basis of currently available data on the prices for the products concerned and the criteria referred to in Article 18(2) of Regulation (EC) No 104/2000, the guide prices should be increased, maintained or reduced for the 2009 fishing year depending on the species.
- (4) Article 26(1) of Regulation (EC) No 104/2000 requires the Community producer price to be fixed for the products listed in Annex III to that Regulation. It is appropriate to establish the Community producer price for one of those products and calculate the Community producer price for the others by means of the conversion factors established by Commission Regulation (EC) No 802/2006 of 30 May 2006 fixing the conversion factors applicable to fish of the genera *Thunnus* and *Euthynnus*⁽²⁾.
- (5) On the basis of the criteria laid down in the first and second indents of Article 18(2) and in Article 26(1) of Regulation (EC) No 104/2000, the Community producer price for the 2009 fishing year should be adjusted.
- (6) Given the urgency of the matter, it is important to grant an exception to the six-week period mentioned in paragraph 1(3) of the Protocol on the role of national parliaments in the European Union annexed to the Treaty on European Union,

HAS ADOPTED THIS REGULATION:
