The fees for registration should also take into account the work that may be done pursuant to Title VI of Regulation (EC) No 1907/2006.

- (9) Reduced fees and charges should apply in the case of certain joint submissions. Reduced fees and charges should also apply to micro, small and medium-sized enterprises (SMEs) within the meaning of Commission Recommendation 2003/361/EC of 6 May 2003 concerning the definition of micro, small and medium-sized enterprises⁽²⁾.

In particular, the first deadline for payment of the fee in connection with the submission of a registration dossier or the submission of an update should be fixed taking into account the deadlines during which the Agency must perform the completeness check. Likewise, the first deadline for payment of fees in connection with notifications for an exemption from the obligation to register for product and process orientated research and development should be fixed taking into account the deadline provided for in Article 9(5) of Regulation (EC) No 1907/2006. However, a second reasonable deadline should be set by the Agency for payments that are not made before expiry of the first deadline.

2 The amounts for each of the tasks identified under paragraph 1 of this Article and the maximum proportion of the fees and charges to be transferred to the competent authorities of the Member States as well as any arrangements necessary for the transfer, shall be set by the Management Board of the Agency following a favourable opinion from the Commission. In fixing the amounts to be transferred, the Management Board of the Agency shall comply with the principles of economy, efficiency and effectiveness as defined in Article 27 of Regulation (EC, Euratom) No 1605/2002.
