

Commission Regulation (EC) No 798/2008 of 8 August 2008 laying down a list of third countries, territories, zones or compartments from which poultry and poultry products may be imported into and transit through the Community and the veterinary certification requirements (Text with EEA relevance)

CHAPTER II

GENERAL CONDITIONS FOR IMPORTS AND TRANSIT

Article 6

Examination, sampling and testing procedures

Where examination, sampling and testing for avian influenza, *Mycoplasma*, Newcastle disease, *Salmonella*, and other pathogens of animal or public health significance is required for imports of commodities into the Community in accordance with the certificates, such commodities shall only be imported into the Community where those examinations, sampling and testing have been carried out by the competent authority of the third country concerned or where appropriate by the competent authority of the Member State of destination in accordance with Annex III.
