

Commission Regulation (EC) No 889/2008 of 5 September 2008 laying down detailed rules for the implementation of Council Regulation (EC) No 834/2007 on organic production and labelling of organic products with regard to organic production, labelling and control

TITLE IV

CONTROLS

CHAPTER 7

Control requirements for units preparing feed

Article 87

Scope

This Chapter applies to any unit involved in the preparation of products referred to in Article 1(2)(c) of Regulation (EC) No 834/2007 on its own account or on behalf of a third party.

Article 88

Control arrangements

- 1 The full description of the unit referred to in Article 63(1)(a) shall indicate:
 - a the facilities used for the reception, preparation and storage of the products intended for animal feed before and after the operations concerning them;
 - b the facilities used for the storage of other products used to prepare feedingstuffs;
 - c the facilities used to store products for cleaning and disinfection;
 - d where necessary, the description of the compound feedingstuff that the operator intends to produce, in accordance with Article 5(1)(a) of Directive 79/373/EEC, and the livestock species or class for which the compound feedingstuff is intended;
 - e where necessary, the name of the feed materials that the operator intends to prepare.
- 2 The measures to be taken by operators, as referred to in Article 63(1)(b), to guarantee compliance with the organic production rules shall include the indications of measures referred to in Article 26.
- 3 The control authority or control body shall use these measures to carry out a general evaluation of the risks attendant on each preparation unit and to draw up a control plan. This control plan shall provide for a minimum number of random samples depending on the potential risks.

Status: Point in time view as at 09/08/2009.

Changes to legislation: There are currently no known outstanding effects for the Commission Regulation (EC) No 889/2008, CHAPTER 7. (See end of Document for details)

Article 89

Documentary accounts

For the purposes of proper control of the operations, the documentary accounts referred to in Article 66 shall include information on the origin, nature and quantities of feed materials, additives, sales and finished products.

Article 90

Control visits

The control visit referred to in Article 65 shall comprise a full physical inspection of all premises. Moreover, the control authority or control body shall make targeted visits based on a general evaluation of the potential risks of non-compliance with the organic production rules.

The control body or authority shall pay particular attention to the critical control points pointed out for the operator, with a view to establishing whether the surveillance and checking operations are carried out correctly.

All the premises used by the operator for the conduct of his activities may be checked as frequently as the attendant risks warrant.

Status:

Point in time view as at 09/08/2009.

Changes to legislation:

There are currently no known outstanding effects for the Commission Regulation (EC) No 889/2008, CHAPTER 7.
