^{F1F1}SECTION 1

Authorisation

Subsection 4

Renewal, withdrawal and amendment

Article 43

Renewal of authorisation

1 An authorisation shall be renewed upon application by the authorisation holder, provided that the requirements referred to in Article 29 are still met.

2 Within 3 months from the renewal of the approval [^{F1}in relation to a constituent territory] of an active substance, safener or synergist contained in the plant protection product [^{F2}authorised in that constituent territory], the applicant shall submit the following information [^{F3}to the competent authority for that constituent territory]:

- a a copy of the authorisation of the plant protection product;
- b any new information required as a result of amendments in data requirements or criteria;
- c evidence that the new data submitted are the result of data requirements or criteria which were not in force when the authorisation of the plant protection product was granted or necessary to amend the conditions of approval;
- d any information required to demonstrate that the plant protection product meets the requirements set [^{F4}by the competent authority] on the renewal of the approval of the active substance, safener or synergist contained therein;
- e a report on the monitoring information, where the authorisation was subject to monitoring.

3

[^{F5}a] [^{F6}The competent authority examining the application] shall check compliance of all plant protection products containing the active substance, safener or synergist concerned with any conditions and restrictions provided for [^{F7}on renewal of the approval of the active substance, safener or synergist].

[^{F8}b] The competent authority which examined the plant protection product application in accordance with Article 35(2) may coordinate the compliance check and assessment of the information submitted for all competent authorities which receive an application for
