

Council Regulation (EC) No 1186/2009 of 16 November 2009 setting up a Community system of reliefs from customs duty (codified version)

TITLE II

RELIEF FROM IMPORT DUTY

CHAPTER XXVI

Ancillary materials for the stowage and protection of goods during their transport

Article 105

The various materials such as rope, straw, cloth, paper and cardboard, wood and plastics which are used for the stowage and protection – including heat protection – of goods during their transport from a third country to the customs territory of the Community, not normally reusable, shall be admitted free of import duties.
