**COUNCIL REGULATION (EC) No 1215/2009****of 30 November 2009****introducing exceptional trade measures for countries and territories participating in or linked to the European Union's Stabilisation and Association process****(codified version)**

THE COUNCIL OF THE EUROPEAN UNION,

Having regard to the Treaty establishing the European Community, and in particular Article 133 thereof,

Having regard to the proposal from the Commission,

Whereas:

- (1) Council Regulation (EC) No 2007/2000 of 18 September 2000 introducing exceptional trade measures for countries and territories participating in or linked to the European Union's Stabilisation and Association process, amending Regulation (EC) No 2820/98, and repealing Regulations (EC) No 1763/1999 and (EC) No 6/2000<sup>(1)</sup>, has been substantially amended several times<sup>(2)</sup>. In the interests of clarity and rationality the said Regulation should be codified.
- (2) At its meeting in Lisbon on 23 and 24 March 2000, the European Council concluded that Stabilisation and Association Agreements with Western Balkan countries should be preceded by asymmetrical trade liberalisation.
- (3) A continued Community market opening to imports from the Western Balkan countries is expected to contribute to the process of political and economic stabilisation in the region while not creating negative effects for the Community.
- (4) It is, therefore, appropriate further to improve the Community's autonomous trade preferences by removing all remaining tariff ceilings for industrial products and by further improving access to the Community market for agricultural and fishery products, including processed products.
- (5) These measures are proposed as part of the EU Stabilisation and Association process, in a response to the specific situation in the Western Balkans. They will not constitute a precedent for Community trade policy with other third countries.

<sup>(1)</sup> OJ L 240, 23.9.2000, p. 1.

<sup>(2)</sup> See Annex III.

**▼B**

- (6) In accordance with the EU Stabilisation and Association process, based on the earlier Regional Approach and the Council Conclusions of 29 April 1997, the development of bilateral relations between the European Union and the Western Balkan countries is subject to certain conditions. The granting of autonomous trade preferences is linked to respect for fundamental principles of democracy and human rights and to the readiness of the countries concerned to develop economic relations between themselves. The granting of improved autonomous trade preferences in favour of countries participating in the EU Stabilisation and Association process should be linked to their readiness to engage in effective economic reforms and in regional cooperation, in particular through the establishment of free trade areas in accordance with relevant GATT/WTO standards. In addition, entitlement to benefit from autonomous trade preferences is conditional on the involvement of the beneficiaries in effective administrative cooperation with the Community in order to prevent any risk of fraud.
- (7) Trade preferences can only be granted to countries or territories possessing a customs administration.
- (8) Bosnia and Herzegovina, Serbia and Kosovo, as defined by the United Nations Security Council Resolution 1244 (1999) subject to international civil administration by the United Nations Mission in Kosovo (UNMIK) (hereinafter referred to as Kosovo), fulfil these conditions, and similar trade preferences should be granted to all of them in order to avoid discrimination within the region.
- (9) The trade measures provided for in this Regulation should take into account that Serbia and Kosovo each constitute a separate customs territory.
- (10) The Community has concluded an agreement on trade in textile products with Serbia <sup>(1)</sup>.
- (11) Albania, Croatia, the former Yugoslav Republic of Macedonia and Montenegro should remain beneficiaries of this Regulation only in so far as this Regulation provides for concessions which are more favourable than the concessions existing under the contractual regimes between the Community and those countries.
- (12) For the purposes of certification of origin and administrative cooperation procedures, the relevant provisions of Commission Regulation (EEC) No 2454/93 of 2 July 1993 laying down provisions for the implementation of Council Regulation (EEC) No 2913/92 establishing the Community Customs Code <sup>(2)</sup> should be applied.
- (13) For the sake of rationalisation and simplification, it is appropriate to provide that the Commission may, after consulting the Customs Code Committee and without prejudice to the specific procedures provided for in this Regulation, make any necessary changes and technical amendments necessary to this Regulation.

<sup>(1)</sup> OJ L 90, 8.4.2005, p. 36.

<sup>(2)</sup> OJ L 253, 11.10.1993, p. 1.

**▼B**

- (14) The measures necessary for the implementation of this Regulation should be adopted in accordance with Council Decision 1999/468/EC of 28 June 1999 laying down the procedures for the exercise of implementing powers conferred on the Commission <sup>(1)</sup>.
- (15) The import arrangements provided for by this Regulation should be renewed on the basis of the conditions established by the Council and in the light of the experience gained in granting these arrangements under this Regulation. It is appropriate to limit the duration of the arrangements to 31 December 2010,

HAS ADOPTED THIS REGULATION:

**▼M1***Article 1***Preferential arrangements**

1. Subject to the special provisions laid down in Article 3, products originating in the customs territory of Kosovo, other than those of headings 0102, 0201, 0202, 0301, 0302, 0303, 0304, 0305, 1604, 1701, 1702 and 2204 of the Combined Nomenclature, shall be admitted for import into the Union without quantitative restrictions or measures having equivalent effect and with exemption from customs duties and charges having equivalent effect.

2. Products originating in Albania, Bosnia and Herzegovina ►**M2** ————— ◀, the former Yugoslav Republic of Macedonia, Montenegro or Serbia shall continue to benefit from the provisions of this Regulation where so indicated. Such products shall also benefit from any concession provided for in this Regulation which is more favourable than that provided for under bilateral agreements between the Union and those countries.

**▼B***Article 2***Conditions for entitlement to the preferential arrangements**

1. Entitlement to benefit from the preferential arrangements introduced by Article 1 shall be subject to the following:

**▼M1**

(a) compliance with the definition of 'originating products' provided for in Part I, Title IV, Chapter 2, Section 2 of Regulation (EEC) No 2454/93;

**▼B**

(b) the abstention of the countries and territories referred to in Article 1 from introducing new duties or charges having equivalent effect and new quantitative restrictions or measures having equivalent effect in respect of imports originating in the Community or from increasing existing levels of duties or charges or from introducing any other restrictions from 30 September 2000; and

(c) the involvement of beneficiaries in effective administrative cooperation with the Community in order to prevent any risk of fraud.

<sup>(1)</sup> OJ L 184, 17.7.1999, p. 23.

**▼B**

2. Without prejudice to the conditions provided for in paragraph 1, entitlement to benefit from the preferential arrangements introduced by Article 1 shall be subject to the readiness of the beneficiary countries to engage in effective economic reforms and in regional cooperation with other countries concerned by the European Union's Stabilisation and Association process, in particular through the establishment of free trade areas in conformity with Article XXIV of the GATT 1994 and other relevant WTO provisions.

In the event of non-compliance in that respect, the Council may take the appropriate measures by a qualified majority vote, on the basis of a Commission proposal.

**▼M1**

3. In the event of non-compliance by a country or territory with paragraphs 1 or 2, the Commission may, by means of implementing acts, suspend, in whole or in part, the entitlement of the country or territory concerned to benefits under this Regulation. Those implementing acts shall be adopted in accordance with the examination procedure referred to in Article 8(4).

**▼B***Article 3***Agricultural products — tariff quotas**

1. For certain fishery products and for wine, as listed in Annex I, originating in the countries and territories referred to in Article 1, the customs duties applicable to imports into the Community shall be suspended during the periods, at the levels, within the limits of the Community tariff quotas and under the conditions indicated for each product and origin set out in that Annex.

**▼M1**

2. The customs duties applicable to imports into the Union of 'baby-beef' products defined in Annex II and originating in the customs territory of Kosovo, shall be 20 % of the *ad valorem* duty and 20 % of the specific duty as laid down in the Common Customs Tariff, within the limit of an annual tariff quota of 475 tonnes expressed in carcase weight.

Any request for import within this quota shall be accompanied by an authenticity certificate issued by the competent authorities of the exporting territory and attesting that the goods originate in the territory concerned and correspond to the definition in Annex II to this Regulation. That certificate shall be drawn up by the Commission by means of implementing acts. Those implementing acts shall be adopted in accordance with the examination procedure referred to in Article 8(4).

4. Notwithstanding other provisions of this Regulation, and in particular Article 10, given the particular sensitivity of the agricultural and fishery markets, where imports of agricultural and fishery products cause serious disturbance to Union markets and their regulatory mechanisms, the Commission may adopt appropriate measures by means of implementing acts. Those implementing acts shall be adopted in accordance with the examination procedure referred to in Article 8(4).

**▼ M1***Article 4***Implementation of tariff quota for ‘baby beef’**

The detailed rules for implementing the tariff quota for ‘baby-beef’ products shall be determined by the Commission by means of implementing acts. Those implementing acts shall be adopted in accordance with the examination procedure referred to in Article 8(4).

**▼ B***Article 5***Administration of tariff quotas**

The tariff quotas referred to in Article 3(1) of this Regulation shall be administered by the Commission in accordance with Articles 308a, 308b and 308c of Regulation (EEC) No 2454/93.

Communication for that purpose between the Member States and the Commission shall be effected, as far as possible, by telematic link.

*Article 6***Access to tariff quotas**

Each Member State shall ensure that importers have equal and uninterrupted access to the tariff quotas for as long as the balance of the relevant quota volume so permits.

**▼ M1***Article 7***Conferral of powers**

The Commission shall be empowered to adopt delegated acts in accordance with Article 7a concerning:

- (a) necessary amendments and technical adjustments to Annexes I and II following amendments to the Combined Nomenclature codes and to the TARIC subdivisions;
- (b) necessary adjustments following the granting of trade preferences under other arrangements between the Union and the countries and territories referred to in Article 1.

*Article 7a***Exercise of the delegation**

1. The power to adopt delegated acts is conferred on the Commission subject to the conditions laid down in this Article.

**▼ M3**

2. The power to adopt delegated acts referred to in Article 7 shall be conferred on the Commission for a period of five years from 3 December 2013. The Commission shall draw up a report in respect of the delegation of power not later than nine months before the end of the five-year period. The delegation of power shall be tacitly extended for periods of an identical duration, unless the European Parliament or the Council opposes such extension not later than three months before the end of each period.

**▼M3**

3. The delegation of power referred to in Article 7 may be revoked at any time by the European Parliament or by the Council. A decision to revoke shall put an end to the delegation of the power specified in that decision. It shall take effect on the day following the publication of the decision in the *Official Journal of the European Union* or at a later date specified therein. It shall not affect the validity of any delegated acts already in force.

**▼M1**

4. As soon as it adopts a delegated act, the Commission shall notify it simultaneously to the European Parliament and to the Council.

5. A delegated act adopted pursuant to Article 7 shall enter into force only if no objection has been expressed either by the European Parliament or the Council within a period of 2 months of notification of that act to the European Parliament and the Council or if, before the expiry of that period, the European Parliament and the Council have both informed the Commission that they will not object. That period shall be extended by 2 months at the initiative of the European Parliament or of the Council.

*Article 8***Committee procedure**

1. For the purposes of Articles 2 and 10, the Commission shall be assisted by the Western Balkans Implementation Committee. That Committee shall be a committee within the meaning of Regulation (EU) No 182/2011 of the European Parliament and of the Council of 16 February 2011 laying down the rules and general principles concerning mechanisms for control by Member States of the Commission's exercise of implementing powers <sup>(1)</sup>.

2. For the purposes of Article 3(4), the Commission shall be assisted by the committee established by Article 4(1) of Council Regulation (EC) No 260/2009 of 26 February 2009 on the common rules for imports <sup>(2)</sup>. That Committee shall be a committee within the meaning of Regulation (EU) No 182/2011.

3. For the purposes of Article 3(2) and Article 4, the Commission shall be assisted by the committee established by Article 195(1) of Council Regulation (EC) No 1234/2007 of 22 October 2007 establishing a common organisation of agricultural markets and on specific provisions for certain agricultural products (Single CMO Regulation) <sup>(3)</sup>. That Committee shall be a committee within the meaning of Regulation (EU) No 182/2011.

4. Where reference is made to this paragraph, Article 5 of Regulation (EU) No 182/2011 shall apply.

**▼B***Article 9***Cooperation**

Member States and the Commission shall cooperate closely to ensure that this Regulation, and in particular the provisions set out in Article 10(1), are complied with.

<sup>(1)</sup> OJ L 55, 28.2.2011, p. 13.

<sup>(2)</sup> OJ L 84, 31.3.2009, p. 1.

<sup>(3)</sup> OJ L 299, 16.11.2007, p. 1.

**▼B***Article 10***Temporary suspension**

1. Where the Commission finds that there is sufficient evidence of fraud or failure to provide administrative cooperation as required for the verification of evidence of origin, or that there is a massive increase of exports into the Community above the level of normal production and export capacity or a failure of compliance with the provisions of Article 2(1) by countries and territories referred to in Article 1, it may take measures to suspend in whole or in part the arrangements provided for in this Regulation for a period of three months, provided that it has first:

**▼M1**

(c) published a notice in the *Official Journal of the European Union* stating that there are grounds for reasonable doubts about the application of the preferential arrangements and/or compliance with Article 2(1) by the beneficiary country or territory concerned which may call into question its right to continue enjoying the benefits granted by this Regulation.

**▼M1**

The measures referred to in the first subparagraph shall be adopted by means of implementing acts. Those implementing acts shall be adopted in accordance with the examination procedure referred to in Article 8(4).

---
