Information provided in technical promotional material

3. Suppliers must also make the following available on their websites:
- (i) a link to the relevant Commission webpage dedicated to this Regulation;
 - (ii) an explanation of the pictograms printed on the label;
 - (iii) a statement highlighting the fact that actual fuel savings and road safety depend heavily on the behaviour of drivers, and in particular the following:
 - eco-driving can significantly reduce fuel consumption,
 - tyre pressure should be regularly checked to optimise wet grip and fuel efficiency performance,
 - stopping distances should always be strictly respected,
