

**COMMISSION REGULATION (EC) No 206/2009****of 5 March 2009****on the introduction into the Community of personal consignments of products of animal origin and amending Regulation (EC) No 136/2004****(Text with EEA relevance)***Article 1***Subject matter**

1. This Regulation lays down rules concerning the introduction into the Community of personal consignments of products of animal origin of a non commercial character which form part of travellers' luggage, or are sent as small consignments to private persons, or are ordered remotely (for example, by mail, by telephone or via the Internet) and delivered to the consumer.

2. This Regulation shall not apply to personal consignments from Andorra, Liechtenstein, Norway, San Marino, and Switzerland. In addition, this Regulation shall not apply to personal consignments of fishery products from the Faeroe Islands and Iceland. To ensure that accurate information is conveyed to passengers, such third countries shall be indicated as exempted countries on all relevant publicity material.

3. This Regulation shall apply without prejudice to Community veterinary legislation having as its objective the control and eradication of animal diseases, or concerning certain protection measures.

4. This Regulation shall apply without prejudice to the relevant rules on certification contained within legislation implementing Regulation (EC) No 338/97 on the protection of species of wild fauna and flora by regulating trade therein.

*Article 2***Rules concerning the introduction into the Community of personal consignments of products of animal origin**

1. Personal consignments of products of animal origin, for personal human consumption, as referred to in Article 16(1)(a), (b), and (d), and in Article 16(4) of Directive 97/78/EC, shall not be subject to the rules set out in Chapter I of that Directive, provided that they belong to one or more of the following categories:

- (a) products listed in Part 1 of Annex I and not covered by Article 6(1) of Decision 2007/275/EC, and their combined quantity does not exceed the weight limit of 0 kg;
- (b) products listed in Part 1 of Annex II and their combined quantity does not exceed the weight limit of 2 kg;
- (c) eviscerated fresh or prepared fishery products, or processed fishery products, within the meaning of points 3.5, 3.6 or 7.4 of Annex I to Regulation (EC) No 853/2004, and their combined quantity does not exceed the weight limit of 20 kg or the weight of one fish, whichever weight is the highest;

**▼B**

- (d) products other than those referred to in paragraphs (a), (b), (c) or in Article 6(1) of Decision 2007/275/EC and their combined quantity does not exceed the weight limit of 2 kg.
2. Personal consignments of animal products destined for the feeding of pets, shall not be subject to the rules set out in Chapter I of Directive 97/78/EC, provided that they belong to one or more of the following categories:
- (a) products listed in Part 2 of Annex I and their combined quantity does not exceed the weight limit of 0 kg;
- (b) products listed in Part 2 of Annex II and their combined quantity does not exceed the weight limit of 2 kg.
3. By way of derogation from paragraphs 1(a), 1(b), 1(d) and 2, personal consignments of animal products, coming from ►M2 ————— ◀, the Faeroe Islands, Greenland or Iceland, shall not be subject to the rules set out in Chapter I of that Directive, provided that they belong to one or more of the following categories:
- (a) products listed in Annex I and not covered by Article 6(1) of Decision 2007/275/EC, and their combined quantity does not exceed the weight limit of 10 kg;
- (b) products listed in Annex II and their combined quantity does not exceed the weight limit of 10 kg;
- (c) products not referred to in paragraphs 1(c), 3(a), 3(b) of this Article or in Article 6(1) of Decision 2007/275/EC and their combined quantity does not exceed the weight limit of 10 kg.

*Article 3***Information to be provided by Member States to travellers and to the general public**

1. Member States shall ensure that at all points of entry into the Community, the veterinary conditions applicable to personal consignments introduced into the Community are brought to the attention of travellers arriving from third countries.
2. The information provided to travellers pursuant to paragraph 1 shall include at least the information in one of the posters set out in Annex III displayed by prominent notices placed in easily visible locations.
3. Member States may complement that information with additional information, including:
- (a) the information set out in Annex IV;
- (b) information appropriate to the local conditions, and with their national provisions adopted pursuant to Directive 97/78/EC.
4. The information provided for in paragraphs 2 and 3 shall be drawn up in:
- (a) at least one of the official languages of the Member State of introduction into the Community;

**▼B**

- (b) a second language considered appropriate by the competent authority; that second language may be the language used in the neighbouring country or, in the case of airports and ports, the language which is the most likely used by passengers arriving thereto.

Member States shall ensure that the general public is made aware of the requirements concerning the introduction into the Community of products of animal origin which are sent as small consignments to private persons or are ordered remotely by final consumers.

*Article 4***Information to be provided by international passenger transport operators and postal services to their clients**

International passenger transport operators, including airport and port operators and travel agencies, as well as postal services shall draw the attention of their customers to the rules laid down in this Regulation, in particular by providing the information set out in Annexes III and IV, as foreseen in Article 3.

*Article 5***Controls**

1. The competent authority or authorities, and those which carry out official controls, in cooperation with port and airport operators and with operators responsible for other points of entry for personal consignments of products of animal origin, shall organise effective controls at points of entry into the Community.
2. The controls provided for in paragraph 1 shall aim at detecting the presence of personal consignments of products of animal origin and at verifying that the conditions laid down in Article 2 are met.
3. The controls provided for in paragraph 1 may be organised using a risk based approach, including, if judged necessary by the competent authority of the Member State, the use of effective detection aids, such as scanning equipment and detector dogs, to screen large volumes of personal baggage for the presence of personal consignments of products of animal origin.

*Article 6***Penalties**

1. The competent authority or authorities, which carry out official controls shall:
  - (a) identify the personal consignments which are in breach of the rules laid down in this Regulation;
  - (b) seize and destroy such consignments in accordance with national legislation.
2. The competent authority or authorities, which carry out official controls, may impose costs or penalties for the person responsible for any personal consignment that is found to be in breach of the rules laid down in this Regulation.

**▼B**

3. Member States shall ensure that the national legislation applicable for the seizure and destruction of personal consignments identifies the natural or legal person liable for the costs of destruction of all such personal consignments that are seized.

*Article 7***Reporting obligations**

1. Member States shall submit to the Commission, every year, a report summarising the relevant information on the measures taken to advertise and enforce the rules laid down in this Regulation, and on the results thereof.

2. The report shall be in the form of a completed table as set out in Annex V, and shall be submitted by the first day of May in the year immediately following the end of each annual reporting period. The reporting period shall run from 1 January to 31 December.

*Article 8***Amendment**

Article 8 of Regulation (EC) No 136/2004 is replaced by the following:

*'Article 8***Specific rules for products which form part of travellers' luggage or are sent as consignments to private persons**

Products of animal origin which form part of travellers' luggage or are sent as small consignments to private persons shall comply with the requirements laid down in Commission Regulation (EC) No 206/2009 (\*).

---

(\*) OJ L 77, 24.3.2009, p. 1.'

*Article 9***Repeal**

Regulation (EC) No 745/2004 is repealed.

References to the repealed Regulation shall be construed as references to this Regulation and shall be correlated in accordance with the table set out in Annex VII.

*Article 10***Transitional provisions**

Member States may submit to the Commission, a completed table as laid down in Annex VI instead of Annex V as required in Article 7, for the reporting periods prior to 1 January 2011, by the first day of March in the year immediately following the end of each annual reporting period. The reporting period shall run from 1 January to 31 December.

**▼B**

*Article 11*

**Entry into force and application**

This Regulation shall enter into force on the 20th day following its publication in the *Official Journal of the European Union*.

This Regulation shall apply from 1 May 2009.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

## ANNEX IV

## Information referred to in Articles 3 and 4

## Part 1 — Leaflet

Keep infectious animal diseases out of the EU!

**Animal products may carry pathogens causing infectious disease**

Due to the risk of introducing diseases into the European Union (EU), there are strict procedures for the introduction of certain animal products into the EU. These procedures do not apply to the movements of animal products between the 27 Member States of the EU, or for animal products coming from Andorra, Liechtenstein, Norway, San Marino, and Switzerland.

All animal products not conforming to these rules must be surrendered on arrival in the EU for official disposal. **Failure to declare such items may result in a fine or criminal prosecution.**

**1. Small quantities of meat and milk and their products (other than powdered infant milk, infant food, and special foods or special pet feed required for medical reasons)**

You may only bring in or send to the EU personal consignments of meat and milk and their products (other than powdered infant milk, infant food, and special foods or special pet feed required for medical reasons) provided that they come from ► **M2** ◀, the Faeroe Islands, Greenland, or Iceland, and their weight does not exceed **10 kg** per person.

**2. Powdered infant milk, infant food, and special foods required for medical reasons**

You may only bring in or send to the EU personal consignments of powdered infant milk, infant food, and special foods required for medical reasons provided that:

— they come from ► **M2** ◀, the Faeroe Islands, Greenland, or Iceland, and their combined quantity does not exceed the weight limit of **10 kg** per person, and that:

— the product does not require refrigeration before consumption,

— it is a packaged proprietary brand product, and

— the packaging is unbroken unless in current use

— they come from other countries (other than ► **M2** ◀, the Faeroe Islands, Greenland, or Iceland), and their combined quantity does not exceed the weight limit of **2 kg** per person, and that:

— the product does not require refrigeration before consumption,

— it is a packaged proprietary brand product, and

— the packaging is unbroken unless in current use.

**▼B****3. Pet feed required for medical reasons**

You may only bring in or send to the EU personal consignments of pet feed required for medical reasons provided that:

- they come from ►**M2** ————— ◀, the Faeroe Islands, Greenland, or Iceland, and their combined quantity does not exceed the weight limit of **10 kg** per person, and that:
  - the product does not require refrigeration before consumption,
  - it is a packaged proprietary brand product, and
  - the packaging is unbroken unless in current use
- they come from other countries (other than ►**M2** ————— ◀, the Faeroe Islands, Greenland, or Iceland), and their combined quantity does not exceed the weight limit of **2 kg** per person, and that:
  - the product does not require refrigeration before consumption,
  - it is a packaged proprietary brand product, and
  - the packaging is unbroken unless in current use

**4. Small quantities of fishery products for personal human consumption**

You may only bring in or send to the EU personal consignments of fishery products (including fresh, dried, cooked, cured or smoked fish, and certain shellfish, such as prawns, lobsters, dead mussels and dead oysters) provided that:

- fresh fish are eviscerated,
- the weight of the fishery products does not exceed, per person, **20 kg or the weight of one fish**, whichever weight is the highest.

These restrictions do not apply to fishery products coming from the Faeroe Islands or Iceland.

**5. Small quantities of other animal products for personal human consumption**

You may only bring in or send to the EU other animal products, such as honey, live oysters, live mussels and snails for example, provided that:

- they come from ►**M2** ————— ◀, the Faeroe Islands, Greenland, or Iceland, and that their combined weight does not exceed **10 kg** per person,
- they come from other countries (other than ►**M2** ————— ◀, the Faeroe Islands, Greenland, or Iceland) and their combined weight does not exceed **2 kg** per person.

Please note that you may bring in small quantities of animal products from several of the above five categories (paragraphs 1-5) provided that they comply with the rules explained in each of the relevant paragraphs.

**6. Larger quantities of animal products**

You may only bring in or send to the EU larger quantities of animal products if they meet the requirements for commercial consignments, which include:

- certification requirements, as laid down in the appropriate official EC veterinary certificate,
- the presentation of the goods, with the correct documentation, to an authorised EU border inspection post for veterinary control, on arrival in the EU.

**▼B****7. Exempted animal products**

The following products are exempted from the rules explained previously:

- bread, cakes, biscuits, chocolate and confectionery (including sweets) not mixed or filled with meat product,
- food supplements packaged for the final consumer,
- meat extracts and meat concentrates,
- olives stuffed with fish,
- pasta and noodles not mixed or filled with meat product,
- soup stocks and flavourings packaged for the final consumer,
- any other food product not containing any fresh or processed meat or dairy and with less than 50 % of processed egg or fishery products.

**8. Animal products from protected species**

For certain protected species there may be additional restrictions in place. For example for caviar of sturgeon species, the weight limit is a maximum of 125 g per person.
