of the Council of 23 April 2009 on the liability of carriers of
passengers by sea in the event of accidents (Text with EEA relevance)

Article 6

Advance payment

1 Where the death of, or personal injury to, a passenger is caused by a shipping incident, the carrier who actually performed the whole or a part of the carriage when the shipping incident occurred shall make an advance payment sufficient to cover immediate economic needs on a basis proportionate to the damage suffered within 15 days of the identification of the person entitled to damages. In the event of the death, the payment shall not be less than EUR 21 000.

This provision shall also apply where the carrier is established within the Community.

2 An advance payment shall not constitute recognition of liability and may be offset against any subsequent sums paid on the basis of this Regulation. It shall not be refundable, except in the cases set out in Article 3(1) or Article 6 of the Athens Convention or Appendix A to the IMO Guidelines, or where the person who received it is not the person entitled to damages.
