Vino de calidad con indicación geográfica	Spanish	PDO (1, 3, 4, 5, 6, 8, 9, 11, 15, 16)	Wine elaborated in a region, area, locality or demarcated place with grapes originated inside that territory, whose quality, reputation or characteristics are due to the geographic or human factor or to both, in which it concerns about the production of the grape, to the elaboration of the wine or its ageing. These wines are identified by mean of the terms 'vino de calidad de', followed of the name of the region, area, locality or demarcated place where they are produced and elaborated. (Law 24/2003 of the Vine and Wine; other legal requirements are set out in the aforesaid law and in other legislations)	
Vino de pago	Spanish	PDO (1, 3, 4, 5, 6, 8, 9, 11, 15, 16)	Designates the place or rural site with particular soil characteristics and a microclimate that differentiate	

it and distinguish of others of their surroundings, known with a name traditionally and notoriously linked to the culture of vineyards from which wines with singular characteristics and qualities are obtained and whose maximum extension are limited by rules established by the competent Administration, accordingly with the own characteristics of each region. The extension cannot be equal nor superior to none of the municipal terms in whose territory or territories, if they are more than one, it is located. It is understood that notorious linkage with the culture of the vineyards exists, when the name of the 'pago' has been used normally in trade to identify wines obtained from it during a minimum period of five years. All the grapes that are destined to the 'vino de pago' shall come

Vino de pago calificado	Spanish	PDO (1, 3, 4, 5, 6, 8, 9, 11, 15, 16)	(Law 24/2003 of the Vine and Wine; other requirements are set out in the aforesaid law and in other legislations) In case where the totality of the 'pago' is included in the territorial scope of a denomination of qualified origin, it may be designated as a 'wine of pago calificado', and the wine produced in shall always be denominated 'of pago calificado', if it fulfils the requirements requested to wines of the qualified denomination of origin and it is registered in it. (Law 24/2003 of the Vine and Wine; other legal requirements are set out in the aforesaid law and in other legislations)	
Vino de la tierra	Spanish	PGI	Requirements for the use of	

(1, 3, 4, 5, 6, 8, the traditional 9, 11, 15, 16) term 'vino de la tierra' accompanied by a geographical indication: 1. In the regulation of the geographic indications of products mentioned in Article 1 they will have to consider, at least, the following aspects: (a) wine category or categories to which the mention is applicable, (b) name of the geographical indication to use, (c) precise boundary of the geographic area, (d) indication of the grape varieties to use, (e) the minimum natural volumetric alcoholic graduation of the different types of wine

with

			to the mentio (f) an apprect or an indicat of the organo charact (g) the system of control applicate to wines, to be made by a public or private body. 2. The use of a geographical indication to designate wines of a wine mixture coming from grapes harvested in different areas or production will be admitted if the 85 percent, like minimum, from the wine comes from the production area of which it uses the name. (Law 24/2003 of the Vine and Wine; Decret 1126/2003)	iation ion leptic eristics,
Vino dulce natural	Spanish	PDO (3)	(Annex III, point B(6) of Commission Regulation (EC) No 606/2009)

FRANCE

Appellation d'origine contrôlée	French	PDO (1, 3, 4, 5, 6, 7, 8, 9, 15, 16)	Name of a locality used to describe	Algeria Switzerland Tunisia
Appellation 606/2009 contrôlée	French		a product originating in that locality, the quality or	
Appellation d'origine vin délimité de qualité supérieure	French		characteristics of which are essentially or exclusively due to a particular geographical environment with its inherent natural and human factors, this product possessing a duly established notoriety and whose production is submitted to agreement procedures comprising the approval of stakeholders, the control of the conditions of production and the control of the products.	
Vin doux naturel	French	PDO (3)	Mutated wine, i.e. whose alcoholic fermentation	

			is stopped by addition of neutral wine alcohol. This process aims at raising the alcoholic richness of the wine while keeping most part of the natural sugars of the grape. Depending on the type of Natural sweet wine elaborated, white, red or pink, the mutation is made at a determined stage of the alcoholic fermentation, with or without maceration.	
Vin de pays	French	PGI (1, 3, 4, 5, 6, 7, 8, 9, 15, 16)	wines with geographical indications personalised by a geographical source (territorial notion). A 'vin de pays' must come exclusively from the production zone whose name it wears. It complies with strict conditions of production laid down by decree, such as maximum yield, minimum alcoholic degree, grape varieties and strict analytic rules.	

ITALY

D : :	T. 1.	BD O	XX7.	
Denominazione di origine controllata (D.O.C.)	Italian	PDO (1, 3, 4, 5, 6, 8, 11, 15, 16)	Wines Designation of Origin means the geographical	
Kontrollierte Ursprungsbezeich			name of a wine-growing zone characterised by specific productions and it is used to describe a renowned quality product, whose characteristics are due to the geographical environment and the human factor. The aforementioned law states, for the Italian denominations, the specific traditional term 'D.O.C.' in order to make clear the above concept of highly qualitative and traditional designation of origin. [Law No 164 of 10.2.1992]	
Denominazione di origine controllata e garanttia (D.O.C.G.)	Italian	PDO (1, 3, 4, 5, 6, 8, 11, 15, 16)	It is similar to the D.O.C. definition, but it also contains the word	
Kontrollierte und garantierte Ursprungsbezeich	German		'Guaranteed' and so it is assigned to wines having a particular value, that have been recognised as DOC wines since five years	

			at least. They are marketed in containers whose capability is not more than f 5 liters and are ticketed with a Government identification mark to provide a better guarantee for the consumers. [Law No 164 of 10.2.1992]	
Vino dolce naturale	Italian	PDO (1, 3, 11, 15)	Traditional term used to describe and qualify some wines, extracted from raisined grapes, which contain a certain level of residual sugars produced by the grapes, without enrichment processes. The use is authorised by specific decrees concerning different wines	
Indicazione geografica tipica (IGT)	Italian	PGI (1, 3, 4, 5, 6, 8, 11, 15, 16)	An exclusively Italian term laid down in the	
Landwein	German		Law n. 164 of 10 February	
Vin de pays	French		1992 to describe Italian wines having a geographical indication, whose specific nature and quality level are due to the geographical grapes production area.

Marque nationale, supplemented by: — appellati contrôlé — appellati d'origine contrôlé	on	PDO (1, 4)	(W): The 'Marque nationale' (Nation seal of approval) for wines of the designation 'Moselle luxembourgeoise' was set up by Governement regulation of 12 March 1935. The inscription 'Marque nationale — appellation contrôlée' on the rectangular label affixed to the rear of the bottle certifies the state-controlled production and quality of the wine. It is issued by the office of the Marque nationale. Only wines of Luxembourg origin that have not been blended with foreign wine and which comply with the national and European requirements can	al

lay claim to this designation. It is also obligatory that wines displaying this label have to be marketed in bottles and the grapes must only have been harvested and vinified within the national production area. The wines are systematically examined by an analytical and organoleptic testing. (SW): The 'Marque nationale' of the Luxembourg sparkling wines was set up by Government regulation of 18 March 1988, and it guarantees: that the sparkling wine is obtained exclusively from wines suitable for making quality wines of the Luxembourg Moselle: that it corresponds to the quality criteria stipulated for by

			the national and European Community regulations; that it is placed under State
