

Regulation (EC) No 713/2009 of the European Parliament and  
of the Council of 13 July 2009 establishing an Agency for the  
Cooperation of Energy Regulators (Text with EEA relevance) (repealed)

CHAPTER II

TASKS

*Article 11*

**Monitoring and reporting on the electricity and natural gas sectors**

1 The Agency, in close cooperation with the Commission, the Member States and the relevant national authorities including the national regulatory authorities and without prejudice to the competences of competition authorities, shall monitor the internal markets in electricity and natural gas, in particular the retail prices of electricity and natural gas, access to the network including access of electricity produced from renewable energy sources, and compliance with the consumer rights laid down in Directive 2009/72/EC and Directive 2009/73/EC.

2 The Agency shall make public an annual report on the results of the monitoring provided for in paragraph 1. In that report, it shall identify any barriers to the completion of the internal markets in electricity and natural gas.

3 When making public its annual report, the Agency may submit to the European Parliament and to the Commission an opinion on the measures that could be taken to remove the barriers referred to in paragraph 2.
