ANNEX IX

Payment entitlements referred to in Article 33(1)(b)(iii)

B. Wine (grubbing up)

Farmers who participate in the grubbing up scheme laid down in Chapter 3 of Title V of Regulation (EC) No 479/2008 shall be allocated, in the year following the grubbing up, payment entitlements equal to the number of hectares for which they have received a grubbing up premium.

The unit value of these payment entitlements shall be equal to the regional average of the value of the payment entitlements of the corresponding region. However, the unit value shall in any case not exceed EUR 350/ha.

By way of derogation from the first subpoint, where the hectares for which a farmer has received the grubbing up premium had previously been taken into account for the allocation of payment entitlements, the value of the payment entitlements held by the farmer concerned shall be increased by the amount resulting from the multiplication of the number of hectares grubbed up referred to in the first subpoint with the unit value referred to in the second subpoint.
