

Commission Regulation (EU) No 1031/2010 of 12 November 2010 on the timing, administration and other aspects of auctioning of greenhouse gas emission allowances pursuant to Directive 2003/87/EC of the European Parliament and of the Council establishing a scheme for greenhouse gas emission allowances trading within the Community (Text with EEA relevance)

## CHAPTER XVI

### TRANSPARENCY AND CONFIDENTIALITY

#### *Article 60*

#### **Publication**

1 All legislation, guidance, instructions, forms, documents, announcements, including the auction calendar, any other non-confidential information pertinent to the auctions on a given auction platform, any decision, including any decision pursuant to Article 57, to impose a maximum bid-size and any other remedial measures necessary to mitigate an actual or potential discernible risk of money-laundering, terrorist financing, criminal activity or market abuse on that auction platform, shall be published on a dedicated up-to-date auctioning web-site maintained by the auction platform concerned.

Information which is no longer relevant shall be archived. Such archives shall be accessible through the same auctioning web-site.

2 Non-confidential versions of the auction monitor's reports to the Member States and the Commission pursuant to Article 25(1) and (2) shall be published on the Commission's website.

Reports which are no longer relevant shall be archived. Such archives shall be accessible through the Commission's web-site.

3 A list of the names, addresses, telephone and facsimile numbers, electronic mail addresses and websites of all persons admitted to bid on behalf of others in auctions conducted by any auction platform auctioning two-day spot or five-day futures shall be published on the website maintained by the auction platform concerned.
