

Commission Regulation (EU) No 925/2010 of 15 October 2010 amending Decision 2007/777/EC and Regulation (EC) No 798/2008 as regards transit through the Union of poultry meat and poultry meat products from Russia (Text with EEA relevance)

COMMISSION REGULATION (EU) No 925/2010

of 15 October 2010

amending Decision 2007/777/EC and Regulation (EC) No 798/2008 as regards transit through the Union of poultry meat and poultry meat products from Russia

(Text with EEA relevance)

THE EUROPEAN COMMISSION,

Having regard to the Treaty on the Functioning of the European Union,

Having regard to Council Directive 92/118/EEC of 17 December 1992 laying down animal health and public health requirements governing trade in and imports into the Community of products not subject to the said requirements laid down in specific Community rules referred to in Annex A (I) to Directive 89/662/EEC and, as regards pathogens, to Directive 90/425/EEC⁽¹⁾, and in particular Article 10(2)(c) thereof,

Having regard to Council Directive 2002/99/EC of 16 December 2002 laying down the animal health rules governing the production, processing, distribution and introduction of products of animal origin for human consumption⁽²⁾, and in particular the introductory phrase of Article 8, the first paragraph of point 1 of Article 8 and Article 9(4)(c) thereof,

Whereas:

- (1) Commission Decision 2007/777/EC of 29 November 2007 laying down the animal and public health conditions and model certificates for imports of certain meat products and treated stomachs, bladders and intestines for human consumption from third countries and repealing Decision 2005/432/EC⁽³⁾ lays down rules on imports into the Union and the transit and storage in the Union of consignments of meat products, as defined in point 7.1 of Annex I to Regulation (EC) No 853/2004 of the European Parliament and of the Council of 29 April 2004 laying down specific hygiene rules for food of animal origin⁽⁴⁾. That Decision also lays down lists of third countries and parts thereof from which such imports and transit and storage are to be authorised and the model public and animal health certificates and the treatments required for those products.
- (2) Part 2 of Annex II to Decision 2007/777/EC lays down a list of third countries or parts thereof from which imports into the Union of meat products and treated stomachs, bladders and intestines which are subject to different treatments, referred to in Part 4 of that Annex, are authorised.
- (3) Decision 2007/777/EC provides that Member States are to ensure that consignments of the commodities covered by it, introduced into the Union and which are destined for a third country either by transit immediately or following storage and not intended for

Status: Point in time view as at 31/12/2020.

*Changes to legislation: There are currently no known outstanding effects for the
Commission Regulation (EU) No 925/2010. (See end of Document for details)*

importation into the Union come from the territory of a third country or a part thereof listed in Annex II thereto and have undergone the minimum treatment for the import of such commodities provided for therein.

- (4) Commission Regulation (EC) No 798/2008 of 8 August 2008 laying down a list of third countries, territories, zones or compartments from which poultry and poultry products may be imported into and transit through the Community and the veterinary certification requirements⁽⁵⁾ provides that certain commodities are only to be imported into and transit through the Union from the third countries, territories, zones or compartments listed in the table in Part 1 of Annex I thereto. It also lays down the veterinary certification requirements for such commodities.
- (5) Russia has asked the Commission to authorise transit through the Union of poultry meat and poultry meat products which have been subjected to a non-specific treatment, pursuant to Part 4 of Annex II to Decision 2007/777/EC.
- (6) An inspection carried out by the Food and Veterinary Office in Russia demonstrated that the competent veterinary authority of that third country provides appropriate guarantees as regards compliance with Union rules required for transit through the Union of those commodities.
- (7) It is therefore appropriate to include Russia in the column for meat products from poultry and farmed feathered game (except ratites) in the table set out in Part 2 of Annex II to Decision 2007/777/EC for transit through the Union of such products which have undergone a non-specific treatment as set out in Part 4 of that Annex.
- (8) In addition, it is also necessary to include Russia in the list of third countries set out in Part 1 of Annex I to Regulation (EC) No 798/2008 for transit through the Union of poultry meat.
- (9) Decision 2007/777/EC and Regulation (EC) No 798/2008 should therefore be amended accordingly.
- (10) The measures provided for in this Regulation are in accordance with the opinion of the Standing Committee on the Food Chain and Animal Health,

HAS ADOPTED THIS REGULATION:

Article 1

Part 2 of Annex II to Decision 2007/777/EC is replaced by the text in Annex I to this Regulation.

Article 2

Part 1 of Annex I to Regulation (EC) No 798/2008 is replaced by the text in Annex II to this Regulation.

Article 3

This Regulation shall enter into force on the twentieth day following that of its publication in the *Official Journal of the European Union*.

Status: Point in time view as at 31/12/2020.

Changes to legislation: There are currently no known outstanding effects for the
Commission Regulation (EU) No 925/2010. (See end of Document for details)

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Status: Point in time view as at 31/12/2020.

Changes to legislation: There are currently no known outstanding effects for the Commission Regulation (EU) No 925/2010. (See end of Document for details)

ANNEX I

PART 2

Third countries or parts thereof from which the introduction of meat products and treated stomachs, bladders and intestines into the Union is authorised

(See Part 4 of this Annex for the interpretation of codes used in the table)
