

Regulation (EU) No 1025/2012 of the European Parliament and of the Council of 25 October 2012 on European standardisation, amending Council Directives 89/686/EEC and 93/15/EEC and Directives 94/9/EC, 94/25/EC, 95/16/EC, 97/23/EC, 98/34/EC, 2004/22/EC, 2007/23/EC, 2009/23/EC and 2009/105/EC of the European Parliament and of the Council and repealing Council Decision 87/95/EEC and Decision No 1673/2006/EC of the European Parliament and of the Council (Text with EEA relevance)

CHAPTER III

EUROPEAN STANDARDS AND EUROPEAN STANDARDISATION DELIVERABLES IN SUPPORT OF UNION LEGISLATION AND POLICIES

Article 8

The annual Union work programme for European standardisation

1 The Commission shall adopt an annual Union work programme for European standardisation which shall identify strategic priorities for European standardisation, taking into account Union long-term strategies for growth. It shall indicate the European standards and European standardisation deliverables that the Commission intends to request from the European standardisation organisations in accordance with Article 10.

2 The annual Union work programme for European standardisation shall define the specific objectives and policies for the European standards and European standardisation deliverables that the Commission intends to request from the European standardisation organisations in accordance with Article 10. In cases of urgency the Commission can issue requests without prior indication.

3 The annual Union work programme for European standardisation shall also include objectives for the international dimension of European standardisation, in support of Union legislation and policies.

4 The annual Union work programme for European standardisation shall be adopted after having conducted a broad consultation of relevant stakeholders, including European standardisation organisations and European stakeholder organisations receiving Union financing in accordance with this Regulation, and Member States via the committee referred to in Article 22 of this Regulation.

5 After its adoption, the Commission shall make the annual Union work programme for European standardisation available on its website.

Article 9

Cooperation with research facilities

The Commission's research facilities shall contribute to the preparation of the annual Union work programme for European standardisation referred to in Article 8 and provide European standardisation organisations with scientific input, in their areas of expertise, to ensure that European standards take into account economic

competitiveness and societal needs such as environmental sustainability and safety and security concerns.

Article 10

Standardisation requests to European standardisation organisations

1 The Commission may within the limitations of the competences laid down in the Treaties, request one or several European standardisation organisations to draft a European standard or European standardisation deliverable within a set deadline. European standards and European standardisation deliverables shall be market-driven, take into account the public interest as well as the policy objectives clearly stated in the Commission's request and based on consensus. The Commission shall determine the requirements as to the content to be met by the requested document and a deadline for its adoption.

2 The decisions referred to in paragraph 1 shall be adopted in accordance with the procedure laid down in Article 22(3) after consultation of the European standardisation organisations and the European stakeholder organisations receiving Union financing in accordance with this Regulation as well as the committee set up by the corresponding Union legislation, when such a committee exists, or after other forms of consultation of sectoral experts.

3 The relevant European standardisation organisation shall indicate, within one month following its receipt, if it accepts the request referred to in paragraph 1.

4 Where a request for funding is made, the Commission shall inform the relevant European standardisation organisations, within two months following the receipt of the acceptance referred to in paragraph 3, about the award of a grant for drafting a European standard or a European standardisation deliverable.

5 The European standardisation organisations shall inform the Commission about the activities undertaken for the development of the documents referred to in paragraph 1. The Commission together with the European standardisation organisations shall assess the compliance of the documents drafted by the European standardisation organisations with its initial request.

6 Where a harmonised standard satisfies the requirements which it aims to cover and which are set out in the corresponding Union harmonisation legislation, the Commission shall publish a reference of such harmonised standard without delay in the *Official Journal of the European Union* or by other means in accordance with the conditions laid down in the corresponding act of Union harmonisation legislation.

Article 11

Formal objections to harmonised standards

1 When a Member State or the European Parliament considers that a harmonised standard does not entirely satisfy the requirements which it aims to cover and which are set out in the relevant Union harmonisation legislation, it shall inform the Commission thereof with a detailed explanation and the Commission shall, after consulting the committee set up by the corresponding Union harmonisation legislation, if it exists, or after other forms of consultation of sectoral experts, decide:

- a to publish, not to publish or to publish with restriction the references to the harmonised standard concerned in the *Official Journal of the European Union*;
- b to maintain, to maintain with restriction or to withdraw the references to the harmonised standard concerned in or from the *Official Journal of the European Union*.

2 The Commission shall publish information on its website on the harmonised standards that have been subject to the decision referred to in paragraph 1.

3 The Commission shall inform the European standardisation organisation concerned of the decision referred to in paragraph 1 and, if necessary, request the revision of the harmonised standards concerned.

4 The decision referred to in point (a) of paragraph 1 of this Article shall be adopted in accordance with the advisory procedure referred to in Article 22(2).

5 The decision referred to in point (b) of paragraph 1 of this Article shall be adopted in accordance with the examination procedure referred to in Article 22(3).

Article 12

Notification of stakeholder organisations

The Commission shall establish a notification system for all stakeholders, including European standardisation organisations and European stakeholder organisations receiving Union financing in accordance with this Regulation in order to ensure proper consultation and market relevance prior to:

- (a) adopting the annual Union work programme for European standardisation referred to in Article 8(1);
- (b) adopting standardisation requests referred to in Article 10;
- (c) taking a decision on formal objections to harmonised standards, as referred to in Article 11(1);
- (d) taking a decision on identifications of ICT technical specifications referred to in Article 13;
- (e) adopting delegated acts referred to in Article 20.
