

Commission Implementing Regulation (EU) No 1094/2013 of
4 November 2013 on the allocation to France and the United
Kingdom of additional days at sea within ICES division VIIe

COMMISSION IMPLEMENTING REGULATION (EU) No 1094/2013

of 4 November 2013

on the allocation to France and the United Kingdom
of additional days at sea within ICES division VIIe

THE EUROPEAN COMMISSION,

Having regard to the Treaty on the Functioning of the European Union,

Having regard to Council Regulation (EU) No 39/2013 of 21 January 2013 fixing for 2013 the fishing opportunities available to EU vessels for certain fish stocks and groups of fish stocks which are not subject to international negotiations or agreements⁽¹⁾, and in particular point 7 of Annex IIC thereof,

Having regard to the requests made by France and the United Kingdom,

Whereas:

- (1) Table I of Annex IIC to Regulation (EU) No 39/2013 specifies the maximum number of days at sea on which EU vessels of overall length equal to or greater than 10 metres carrying on board or deploying beam trawls of mesh size equal to or greater than 80 mm or static nets, including gill-nets, trammel-nets and tangle-nets, with mesh size equal to or less than 220 mm may be present in ICES division VIIe from 1 February 2013 to 31 January 2014.
- (2) Point 7.5 of that Annex enables the Commission to allocate an additional number of days at sea on which a vessel may be present in that area when carrying on board or deploying such beam trawls or static nets, on the basis of permanent cessations of fishing activities that have taken place since 1 January 2004.
- (3) In view of the data on beam trawlers withdrawn from the fishing fleet presented in the request submitted by France in accordance with points 7.1 and 7.4 of Annex IIC and applying the calculation method provided for in point 7.2 of that Annex, 11 additional days at sea should be allocated to France for the period between 1 February 2013 and 31 January 2014 for vessels carrying on board or deploying such beam trawls.
- (4) In view of the data on vessels with static nets withdrawn from the fishing fleet presented in the request submitted by France in accordance with points 7.1 and 7.4 of Annex IIC and applying the calculation method provided for in point 7.2 of that Annex, 14 additional days at sea should be allocated to France for the period between 1 February 2013 and 31 January 2014 for vessels carrying on board or deploying such static nets.
- (5) In view of the data on beam trawlers withdrawn from the fishing fleet presented in the request submitted by the United Kingdom in accordance with points 7.1 and 7.4
