Article 35

Implementation of the Programme

In order to implement the Programme, the Commission shall adopt annual work programmes by way of implementing acts in accordance with the examination procedure referred to in Article 36(3). Each annual work programme shall ensure that the general and specific objectives set out in Articles 4, 5, 11 and 16 are implemented annually in a consistent manner and shall outline the expected results, the method of implementation and its total amount. The annual work programmes shall also contain a description of the actions to be financed, an indication of the amount allocated to each action and of the distribution of funds between the Member States for the actions to be managed through the national agencies, and an indicative implementation timetable. They shall include, in the case of grants, the maximum rate of co-financing, which shall take into account the specificities of the target groups, in particular their co-financing capacity and the possibilities of attracting funding from third parties. In particular, for actions targeting organisations with limited financial capacities, the rate of co-financing shall be set at least at 50 %.
