CHAPTER III

Joint action plan

Article 107

Decision on the joint action plan

1 The Commission shall appraise the joint action plan on the basis of the information referred to in Article 106 in order to determine whether support from the Funds is justified.

Where the Commission, within two months following the submission of a joint action plan proposal, considers that it does not meet the appraisal requirements referred to in Article 104, it shall make observations to the Member State. The Member State shall provide to the Commission all necessary additional information requested and, where appropriate, revise the joint action plan accordingly.

2 Provided that any observations have been adequately taken into account, the Commission shall adopt a decision, by means of an implementing act, approving the joint action plan no later than four months after its submission by the Member State but not before the adoption of the operational programmes concerned.

[^{F13} The decision referred to in paragraph 2 shall indicate the beneficiary and the objectives of the joint action plan, the milestones, where relevant, and targets for outputs and results, the costs of achieving those milestones and targets for outputs and result, and the financing plan by operational programme and priority axis, including the total eligible amount and the amount of public expenditure, the implementation period of the joint action plan and, where relevant, the geographical coverage and target groups of the joint action plan.]
