

Council Regulation (Euratom) No 1314/2013 of 16 December 2013
on the Research and Training Programme of the European Atomic
Energy Community (2014-2018) complementing the Horizon 2020
Framework Programme for Research and Innovation (repealed)

TITLE II

IMPLEMENTATION

CHAPTER I

Implementation, management and forms of support

Article 10

Ethical principles

1 All the research and innovation activities carried out under the Euratom Programme shall comply with ethical principles and relevant national, Union and international legislation, including the Charter of Fundamental Rights of the European Union and the European Convention on Human Rights and its Supplementary Protocols.

Particular attention shall be paid to the principle of proportionality, the right to privacy, the right to the protection of personal data, the right to the physical and mental integrity of a person, the right to non-discrimination and the need to ensure high levels of human health protection.

2 Research and innovation activities carried out under the Euratom Programme shall have an exclusive focus on civil applications.
