on the Research and Training Programme of the European Atomic
Energy Community (2014-2018) complementing the Horizon 2020
Framework Programme for Research and Innovation (repealed)

TITLE II

IMPLEMENTATION

CHAPTER I

Implementation, management and forms of support

Article 14

External advice and societal engagement

1 For the implementation of the Euratom Programme, account shall be taken of advice and inputs provided, where appropriate, by:

- a the Euratom Scientific and Technical Committee pursuant to Article 134 of the Treaty;
- b independent advisory groups of high-level experts set up by the Commission;
- c dialogue structures created under international science and technology agreements;
- d forward-looking activities;
- e targeted public consultations (including, where appropriate, regional and national authorities or stakeholders); and
- f transparent and interactive processes that ensure support to responsible research and innovation.

2 Full account shall also be taken of the research and innovation agendas established by, inter alia, European Technology Platforms, Joint Programming Initiatives and European Innovation Partnerships.
