

Regulation (EU) No 229/2013 of the European Parliament and of the Council of 13 March 2013 laying down specific measures for agriculture in favour of the smaller Aegean islands and repealing Council Regulation (EC) No 1405/2006

## CHAPTER II

### SUPPORT PROGRAMME

#### *Article 6*

#### **Approval and amendments of the programme**

1 The support programme is established under Regulation (EC) No 1405/2006 and is financed under the financial allocation referred to in Article 18(2) and (3).

The programme comprises a forecast supply balance indicating the products, the quantities thereof and the amount of aid for supply from the Union together with a draft programme of support for local production.

2 Depending on the annual evaluation of the implementation of measures included in the support programme, Greece may submit to the Commission duly substantiated proposals for amendments to those measures within the context of the financial allocation referred to in Article 18(2) and (3), to bring them more into line with the requirements of the smaller islands and the strategy proposed. The Commission shall adopt implementing acts laying down the procedures for assessing whether the amendments proposed comply with Union law and for deciding whether to approve them. Those implementing acts shall be adopted in accordance with the examination procedure referred to in Article 22(2).

3 The procedures laid down by the implementing acts referred to in paragraph 2 may take account of the following elements: the importance of the modifications proposed by Greece with reference to the introduction of new measures, whether the changes to the budget allocated to the measures are substantial, changes in the quantities and in the level of aid for products in the forecast supply balances and any amendments to codes and descriptions laid down in Council Regulation (EEC) No 2658/87 of 23 July 1987 on the tariff and statistical nomenclature and on the Common Customs Tariff<sup>(1)</sup>.

4 The implementing acts referred to in paragraph 2 shall also determine, for each procedure, the frequency with which requests for amendments are to be made, as well as the time frames within which the approved amendments are to be implemented.
