

Commission Regulation (EU) No 344/2013 of 4 April 2013 amending
Annexes II, III, V and VI to Regulation (EC) No 1223/2009 of the European
Parliament and of the Council on cosmetic products (Text with EEA relevance)

Changes to legislation: There are currently no known outstanding effects for the Commission Regulation (EU) No 344/2013, Division (2). (See end of Document for details)

ANNEX

- (2) Annex III to Regulation (EC) No 1223/2009 is amended as follows:
- (a) The entries concerning reference numbers 8, 9 and 10 are replaced by the following:

‘8	N-substituted derivatives of p-Phenylenediamine and their salts; N-substituted derivatives of o-Phenylenediamine ^a , with exception of those derivatives listed elsewhere in this Annex and under reference numbers 1309, 1311, and 1312 in Annex II			Hair dye substance in oxidative hair dye products		(a)	General use	To be printed on the label: The mixing ratio.  Read and follow instructions. This product is not intended for use on persons under the age of 16. Temporary ‘black henna’ tattoos may increase your risk of allergy. Do not colour your hair if: — you have
----	---	--	--	---	--	-----	-------------	---

^a These substances may be used singly or in combination provided that the sum of the ratios of the levels of each of them in the cosmetic product expressed with reference to the maximum level authorised for each of them does not exceed 1.’
