

Regulation (EU) No 525/2013 of the European Parliament and of the Council of 21 May 2013 on a mechanism for monitoring and reporting greenhouse gas emissions and for reporting other information at national and Union level relevant to climate change and repealing Decision No 280/2004/EC (Text with EEA relevance)

## CHAPTER 6

### REPORTING ON OTHER INFORMATION RELEVANT FOR CLIMATE CHANGE

#### *Article 15*

##### **Reporting on national adaptation actions**

By 15 March 2015, and every four years thereafter, aligned with the timings for reporting to the UNFCCC, Member States shall report to the Commission information on their national adaptation planning and strategies, outlining their implemented or planned actions to facilitate adaptation to climate change. That information shall include the main objectives and the climate-change impact category addressed, such as flooding, sea level rise, extreme temperatures, droughts, and other extreme weather events.

#### *Article 16*

##### **Reporting on financial and technology support provided to developing countries**

1 Member States shall cooperate with the Commission to allow timely coherent reporting by the Union and its Member States on support provided to developing countries in accordance with the relevant provisions of the UNFCCC, as applicable, including any common format agreed under the UNFCCC, and to ensure annual reporting by 30 September.

2 Where relevant or applicable under the UNFCCC, Member States shall endeavour to provide information on financial flows based on the so-called 'Rio markers' for climate change mitigation-related support and climate change adaptation-related support introduced by the OECD Development Assistance Committee and methodological information concerning the implementation of the climate change Rio markers methodology.

3 Where information is reported on private financial flows mobilised, it shall include information on the definitions and methodologies used to determine any figures.

4 In accordance with decisions adopted by the bodies of the UNFCCC or the Kyoto Protocol or of agreements deriving from them or succeeding them, information on support provided shall include information on support for mitigation, adaptation, capacity-building and technology transfer and, if possible, information as to whether financial resources are new and additional.

#### *Article 17*

##### **Reporting on the use of auctioning revenue and project credits**

1 By 31 July each year (year X), Member States shall submit to the Commission for the year X-1:

- a a detailed justification as referred to in Article 6(2) of Decision No 406/2009/EC;
  - b information on the use of revenues during the year X-1 generated by the Member State by auctioning allowances pursuant to Article 10(1) of Directive 2003/87/EC, including information on such revenue that has been used for one or more of the purposes specified in Article 10(3) of that Directive, or the equivalent in financial value of that revenue, and the actions taken pursuant to that Article;
  - c information on the use, as determined by the Member State, of all revenue generated by the Member State by auctioning aviation allowances pursuant to Article 3d(1) or (2) of Directive 2003/87/EC; that information shall be provided in accordance with Article 3d(4) of that Directive;
  - d information referred to in point (b) of Article 6(1) of Decision No 406/2009/EC and information on how their purchasing policy enhances the achievement of an international agreement on climate change;
  - e information regarding the application of Article 11b(6) of Directive 2003/87/EC as regards hydroelectric power production project activities with a generating capacity exceeding 20 MW.
- 2 Auctioning revenue not disbursed at the time a Member State submits a report to the Commission pursuant to this Article shall be quantified and reported in reports for subsequent years.
- 3 Member States shall make available to the public the reports submitted to the Commission pursuant to this Article. The Commission shall make aggregate Union information available to the public in an easily accessible form.
- 4 The Commission shall adopt implementing acts to set out the structure, format and submission processes for Member States' reporting of information pursuant to this Article. Those implementing acts shall be adopted in accordance with the examination procedure referred to in Article 26(2).

### *Article 18*

#### **Biennial reports and national communications**

- 1 The Union and the Member States shall submit biennial reports in accordance with Decision 2/CP.17 of the Conference of the Parties to the UNFCCC (Decision 2/CP.17), or subsequent relevant decisions adopted by the bodies of the UNFCCC, and national communications in accordance with Article 12 of the UNFCCC to the UNFCCC Secretariat.
- 2 Member States shall provide the Commission with copies of the national communications and biennial reports submitted to the UNFCCC Secretariat.
