[^{X1}Section 2

Deductions from Tier 2 items

Article 66

Deductions from Tier 2 items

The following shall be deducted from Tier 2 items:

- (a) direct, indirect and synthetic holdings by an institution of own Tier 2 instruments, including own Tier 2 instruments that an institution could be obliged to purchase as a result of existing contractual obligations;
- (b) direct, indirect and synthetic holdings of the Tier 2 instruments of financial sector entities with which the institution has reciprocal cross holdings that the competent authority considers to have been designed to inflate artificially the own funds of the institution;
- (c) the applicable amount determined in accordance with Article 70 of direct, indirect and synthetic holdings of the Tier 2 instruments of financial sector entities, where an institution does not have a significant investment in those entities;
- (d) direct, indirect and synthetic holdings by the institution of the Tier 2 instruments of financial sector entities where the institution has a significant investment in those entities, excluding underwriting positions held for fewer than five working days^{[^{F1}];}
- (e) [^{F2}the amount of items required to be deducted from eligible liabilities items pursuant to Article 72e that exceeds the eligible liabilities items of the institution.]

Status: Point in time view as at 01/01/2024.

Changes to legislation: Regulation (EU) No 575/2013 of the European Parliament and of the Council, Section 2 is up to date with all changes known to be in force on or before 06 July 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

Textual Amendments

- F1** Substituted by Regulation (EU) 2019/876 of the European Parliament and of the Council of 20 May 2019 amending Regulation (EU) No 575/2013 as regards the leverage ratio, the net stable funding ratio, requirements for own funds and eligible liabilities, counterparty credit risk, market risk, exposures to central counterparties, exposures to collective investment undertakings, large exposures, reporting and disclosure requirements, and Regulation (EU) No 648/2012 (Text with EEA relevance).
- F2** Inserted by Regulation (EU) 2019/876 of the European Parliament and of the Council of 20 May 2019 amending Regulation (EU) No 575/2013 as regards the leverage ratio, the net stable funding ratio, requirements for own funds and eligible liabilities, counterparty credit risk, market risk, exposures to central counterparties, exposures to collective investment undertakings, large exposures, reporting and disclosure requirements, and Regulation (EU) No 648/2012 (Text with EEA relevance).

Article 67

Deductions of holdings of own Tier 2 instruments

For the purposes of point (a) of Article 66, institutions shall calculate holdings on the basis of the gross long positions subject to the following exceptions:

- (a) institutions may calculate the amount of holdings on the basis of the net long position provided that both the following conditions are met:
 - (i) the long and short positions are in the same underlying exposure and the short positions involve no counterparty risk;
 - (ii) either both the long and the short positions are held in the trading book or both are held in the non-trading book;
- (b) institutions shall determine the amount to be deducted for direct, indirect and synthetic holdings of index securities by calculating the underlying exposure to own Tier 2 instruments in those indices;
- (c) institutions may net gross long positions in own Tier 2 instruments resulting from holdings of index securities against short positions in own Tier 2 instruments resulting from short positions in the underlying indices, including where those short positions involve counterparty risk, provided that both the following conditions are met:
 - (i) the long and short positions are in the same underlying indices;
 - (ii) either both the long and the short positions are held in the trading book or both are held in the non-trading book.

Article 68

Deduction of holdings of Tier 2 instruments of financial sector entities and where an institution has a reciprocal cross holding designed artificially to inflate own funds

Institutions shall make the deductions required by points (b), (c) and (d) of Article 66 in accordance with the following provisions:

- (a) holdings of Tier 2 instruments shall be calculated on the basis of the gross long positions;

Status: Point in time view as at 01/01/2024.

Changes to legislation: Regulation (EU) No 575/2013 of the European Parliament and of the Council, Section 2 is up to date with all changes known to be in force on or before 06 July 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (b) holdings of Tier 2 own-fund insurance items and Tier 3 own-fund insurance items shall be treated as holdings of Tier 2 instruments for the purposes of deduction.

Article 69

Deduction of holdings of Tier 2 instruments of financial sector entities

Institutions shall make the deductions required by points (c) and (d) of Article 66 in accordance with the following:

- (a) they may calculate direct, indirect and synthetic holdings of Tier 2 instruments of the financial sector entities on the basis of the net long position in the same underlying exposure provided that both the following conditions are met:
- (i) [F¹the maturity date of the short position is either the same as, or later than the maturity date of the long position or the residual maturity of the short position is at least one year;]
 - (ii) either both the long position and the short position are held in the trading book or both are held in the non-trading book;
- (b) they shall determine the amount to be deducted for direct, indirect and synthetic holdings of index securities by looking through to the underlying exposure to the capital instruments of the financial sector entities in those indices.

Article 70

Deduction of Tier 2 instruments where an institution does not have a significant investment in a relevant entity

1 For the purposes of point (c) of Article 66, institutions shall calculate the applicable amount to be deducted by multiplying the amount referred to in point (a) of this paragraph by the factor derived from the calculation referred to in point (b) of this paragraph:

- a the aggregate amount by which the direct, indirect and synthetic holdings by the institution of the Common Equity Tier 1, Additional Tier 1 and Tier 2 instruments of financial sector entities in which the institution does not have a significant investment exceeds 10 % of the Common Equity Tier 1 items of the institution calculated after applying the following:
 - (i) Articles 32 to 35;
 - (ii) points (a) to (g), points (k)(ii) to (v) and point (l) of Article 36(1), excluding the amount to be deducted for deferred tax assets that rely on future profitability and arise from temporary differences;
 - (iii) Articles 44 and 45;
- b the amount of direct, indirect and synthetic holdings by the institution of the Tier 2 instruments of financial sector entities in which the institution does not have a significant investment divided by the aggregate amount of all direct, indirect and synthetic holdings by the institution of the Common Equity Tier 1, Additional Tier 1 and Tier 2 instruments of those financial sector entities.

Status: Point in time view as at 01/01/2024.

Changes to legislation: Regulation (EU) No 575/2013 of the European Parliament and of the Council, Section 2 is up to date with all changes known to be in force on or before 06 July 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

2 Institutions shall exclude underwriting positions held for five working days or fewer from the amount referred to in point (a) of paragraph 1 and from the calculation of the factor referred to in point (b) of paragraph 1.

3 The amount to be deducted pursuant to paragraph 1 shall be apportioned across each Tier 2 instrument held. Institutions shall determine the amount to be deducted from each Tier 2 instrument that is deducted pursuant to paragraph 1 by multiplying the amount specified in point (a) of this paragraph by the proportion specified in point (b) of this paragraph:

- a the total amount of holdings required to be deducted pursuant to paragraph 1;
- b the proportion of the aggregate amount of direct, indirect and synthetic holdings by the institution of the Tier 2 instruments of financial sector entities in which the institution does not have a significant investment represented by each Tier 2 instrument held.

4 The amount of holdings referred to in point (c) of Article 66(1) that is equal to or less than 10 % of the Common Equity Tier 1 items of the institution after applying the provisions laid down in points (a)(i) to (iii) of paragraph 1 shall not be deducted and shall be subject to the applicable risk weights in accordance with Chapter 2 or 3 of Title II of Part Three [^{F3}, Articles 132a to 132c of Chapter 3 of the Standardised Approach and Internal Ratings Based Approach to Credit Risk (CRR) Part of the PRA Rulebook] and the requirements laid down in Title IV of Part Three, as applicable.

5 Institutions shall determine the amount of each Tier 2 instrument that is risk weighted pursuant to paragraph 4 by multiplying the amount specified in point (a) of this paragraph by the amount specified in point (b) of this paragraph:

- a the amount of holdings required to be risk weighted pursuant to paragraph 4;
- b the proportion resulting from the calculation in point (b) of paragraph 3.]
