CHAPTER IX

Article 38

Data security and data protection

Member States shall take all appropriate measures to ensure the security of transmitted personal data and in particular to avoid unlawful or unauthorised access or disclosure, alteration or loss of personal data processed.

Each Member State shall provide that the national supervisory authority or authorities designated pursuant to Article 28(1) of Directive 95/46/EC shall monitor independently, in accordance with its respective national law, the lawfulness of the processing, in accordance with this Regulation, of personal data by the Member State in question.

Article 39

Confidentiality

Member States shall ensure that the authorities referred to in Article 35 are bound by the confidentiality rules provided for in national law, in relation to any information they obtain in the course of their work.

Article 40

Penalties

Member States shall take the necessary measures to ensure that any misuse of data processed in accordance with this Regulation is punishable by penalties, including administrative and/or criminal penalties in accordance with national law, that are effective, proportionate and dissuasive.

Article 41

Transitional measures

Where an application has been lodged after the date mentioned in the second paragraph of Article 49, the events that are likely to entail the responsibility of a Member State under this Regulation shall be taken into consideration, even if they precede that date, with the exception of the events mentioned in Article 13(2).

Article 42

Calculation of time limits

Any period of time prescribed in this Regulation shall be calculated as follows:

- (a) where a period expressed in days, weeks or months is to be calculated from the moment at which an event occurs or an action takes place, the day during which that event occurs or that action takes place shall not be counted as falling within the period in question;
- (b) a period expressed in weeks or months shall end with the expiry of whichever day in the last week or month is the same day of the week or falls on the same date as the day during which the event or action from which the period is to be calculated occurred or took place. If, in a period expressed in months, the day on which it should expire does not occur in the last month, the period shall end with the expiry of the last day of that month;
- (c) time limits shall include Saturdays, Sundays and official holidays in any of the Member States concerned.

Article 43

Territorial scope

As far as the French Republic is concerned, this Regulation shall apply only to its European territory.

Article 44

1 The Commission shall be assisted by a committee. That committee shall be a committee within the meaning of Regulation (EU) No 182/2011.

2 Where reference is made to this paragraph, Article 5 of Regulation (EU) No 182/2011 shall apply.

Where the committee delivers no opinion, the Commission shall not adopt the draft implementing act and the third subparagraph of Article 5(4) of Regulation (EU) No 182/2011 shall apply.

Article 45

Exercise of the delegation

1 The power to adopt delegated acts is conferred on the Commission subject to the conditions laid down in this Article.

2 The power to adopt delegated acts referred to in Articles 8(5) and 16(3) shall be conferred on the Commission for a period of 5 years from the date of entry into force of this Regulation. The Commission shall draw up a report in respect of the delegation of power not

later than nine months before the end of the 5-year period. The delegation of power shall be tacitly extended for periods of an identical duration, unless the European Parliament or the Council opposes such extension not later than three months before the end of each period.

3 The delegation of power referred to in Articles 8(5) and 16(3) may be revoked at any time by the European Parliament or by the Council. A decision to revoke shall put an end to the delegation of the power specified in that decision. It shall take effect the day following the publication of the decision in the *Official Journal of the European Union* or at a later date specified therein. It shall not affect the validity of any delegated acts already in force.

4 As soon as it adopts a delegated act, the Commission shall notify it simultaneously to the European Parliament and to the Council.

5 A delegated act adopted pursuant to Articles 8(5) and 16(3) shall enter into force only if no objection has been expressed either by the European Parliament or the Council within a period of four months of notification of that act to the European Parliament and to the Council or if, before the expiry of that period, the European Parliament and the Council have both informed the Commission that they will not object. That period shall be extended by two months at the initiative of the European Parliament or of the Council.

Article 46

Monitoring and evaluation

By 21 July 2016, the Commission shall report to the European Parliament and to the Council on the application of this Regulation and, where appropriate, shall propose the necessary amendments. Member States shall forward to the Commission all information appropriate for the preparation of that report, at the latest six months before that time limit expires.

After having submitted that report, the Commission shall report to the European Parliament and to the Council on the application of this Regulation at the same time as it submits reports on the implementation of the Eurodac system provided for by Article 40 of Regulation (EU) No 603/2013.
