of [X¹⁹ August 2013]

amending Regulation (EC) No 917/2004 on detailed rules to implement Council Regulation (EC) No 797/2004 on measures improving general conditions for the production and marketing of apiculture products (repealed)

THE EUROPEAN COMMISSION,

Having regard to the Treaty on the Functioning of the European Union,

Having regard to Council Regulation (EC) No 1234/2007 of 22 October 2007 establishing a common organisation of agricultural markets and on specific provisions for certain agricultural products (Single CMO Regulation)⁽¹⁾, and in particular Article 110 in conjunction with Article 4 thereof,

Whereas:

- (1) Commission Regulation (EC) No 917/2004⁽²⁾ lays down provisions for the implementation of the national apiculture programmes provided for in Article 105 of Regulation (EC) No 1234/2007. According to Article 2(2) and (3) of Regulation (EC) No 917/2004, the apiculture programme measures laid down for every year of the three-year period shall be implemented by 31 August of the year to which they relate and payments shall be carried out during the annual exercise established from 16 October of the same year to 15 October of the following year. As a result, Member States cannot implement apiculture measures between 1 September of the year of the apiculture programme and 15 October of the same year.
- (2) In order to avoid the gap between the implementation and the funding of apiculture measures, the relevant dates need to be changed so that measures can be implemented all year round.
- (3) The Union financial contribution to national apiculture programmes is based on the bee census/number of hives in each Member State as set out in Annex I to Regulation (EC) No 917/2004.
- (4) In accordance with Article 109 of Regulation (EC) No 1234/2007, Member States submitted their national apiculture programmes and updated the numbers of hives as provided for in Article 1(a) of Regulation (EC) No 917/2004. The updated numbers of hives should be reflected in Annex I to Regulation (EC) No 917/2004.
- (5) Regulation (EC) No 917/2004 should therefore be amended accordingly.
