EXPLANATION REGARDING THE SYMBOLICS OF THE LOGO

Changes to legislation: There are currently no known outstanding effects for the Commission Delegated Regulation (EU) No 179/2014, ANNEX I. (See end of Document for details)

At the top of the Logo is a large, yellow sun giving warmth, light and growth to all life. The green fertile land underneath signalised agricultural products and the clear blue colour at the bottom represents the sea and its products. The sun, as the symbol of subtropical and tropical areas, is the dominating element. The sweeping lines of the land and the sea add life to the Logo and signal exoticism.

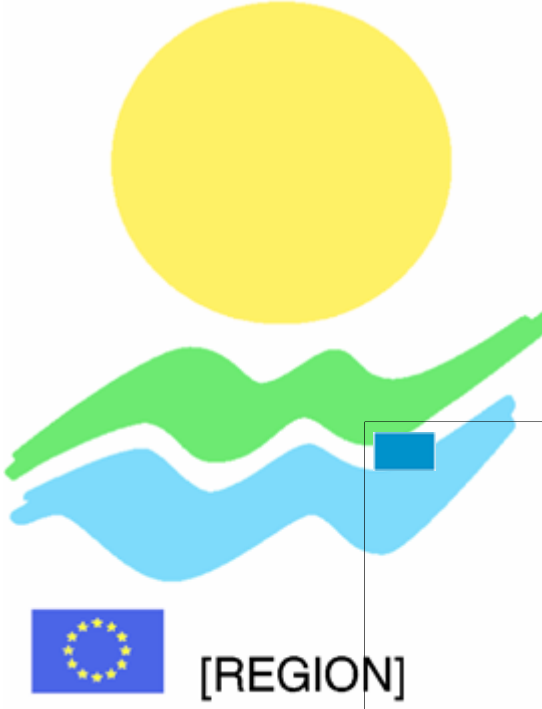

The colours indicate naturalness, authenticity and quality.

Below the Logo, the Union flag combined with the name of the region, states clearly that the outermost regions belong to the Union.

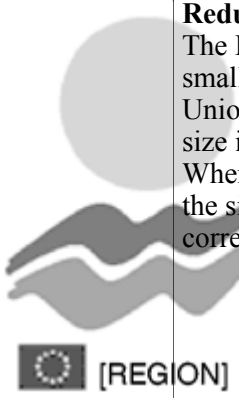

TECHNICAL DESCRIPTION OF THE LOGO

The Logo should always be printed on a white background and as far as possible in full colour, quadricolour. Exceptionally it may also be reproduced in black and white. When the Logo forms part of a photo or is placed on a coloured background it must be placed within a white delimitation area.
