Monitoring, evaluation, information and communication

Section 1

Establishment and objectives of a common monitoring and evaluation system

Article 107

Monitoring and evaluation system

1 A common monitoring and evaluation system for EMFF operations under shared management shall be established with a view to measuring the performance of the EMFF. In order to ensure an effective performance measurement, the Commission shall be empowered to adopt delegated acts, in accordance with Article 126, defining the content and construction of that system.

2 The general impact of the EMFF shall be considered in relation to the Union priorities set out in Article 6.

The Commission may adopt implementing acts establishing the set of indicators specific to those Union priorities. Those implementing acts shall be adopted in accordance with the examination procedure referred to in Article 127(3).

3 Member States shall provide the Commission with all the information necessary to permit the monitoring and evaluation of the measures concerned. The Commission shall take into account the data needs and synergies between potential data sources, in particular their use for statistical purposes when appropriate. The Commission shall adopt implementing acts laying down rules on the information to be sent by Member States, as well as on the data needs and synergies between potential data sources. Those implementing acts shall be adopted in accordance with the examination procedure referred to in Article 127(3).

4 The Commission shall present a report on the implementation of this Article to the European Parliament and to the Council every four years. The first report shall be presented by 31 December 2017.
